And a new day
Has begun.

New Challenges surface

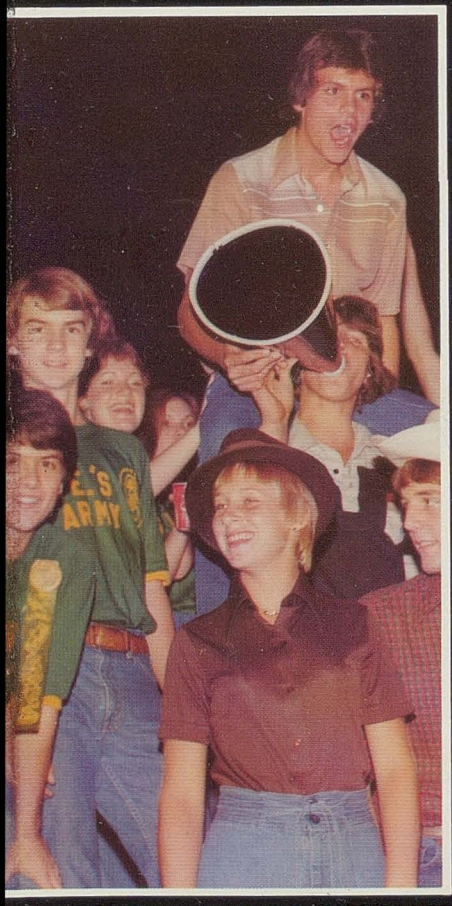

With the dawn
Of each new day;

So rise up
And run,

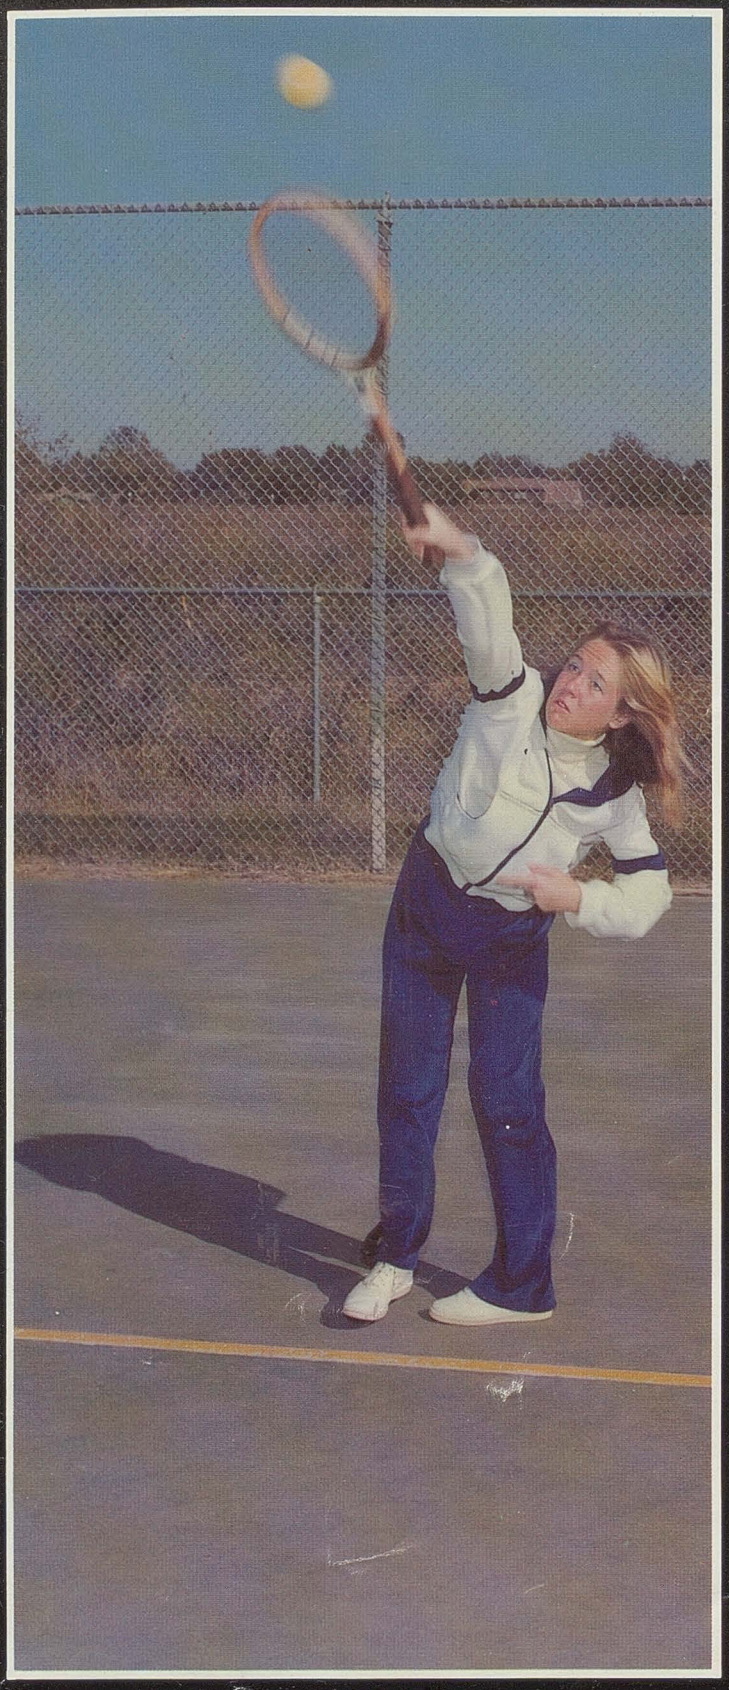

Or success might slip away.

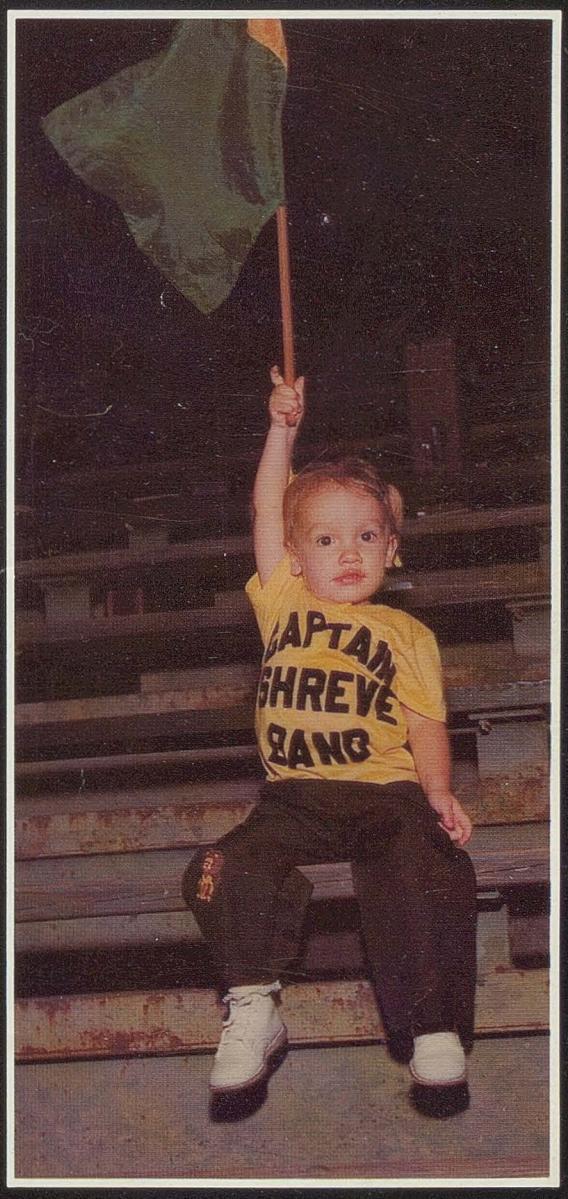

Strength
Comes with
Purpose.

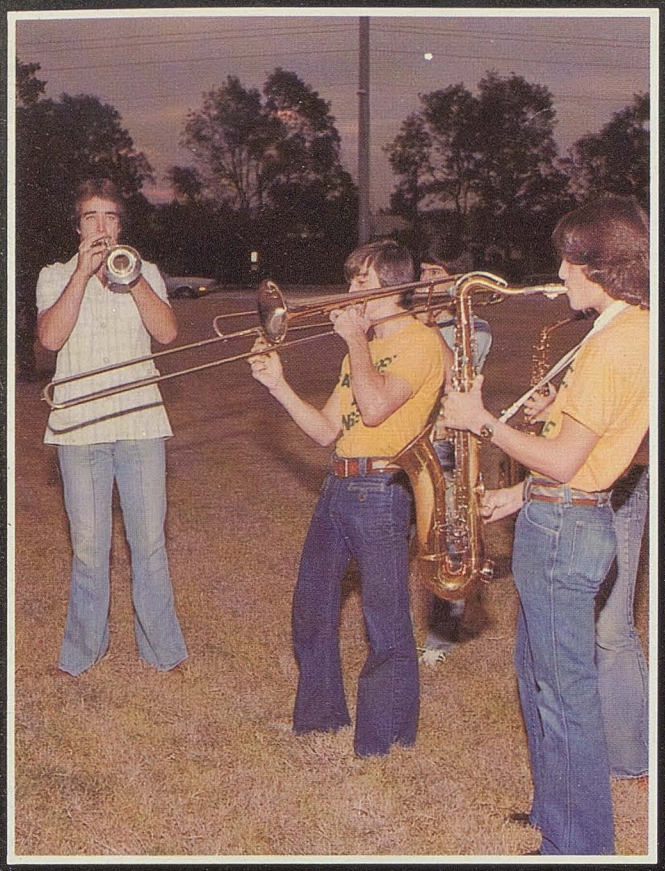

And the Knowledge
Of one's destiny.

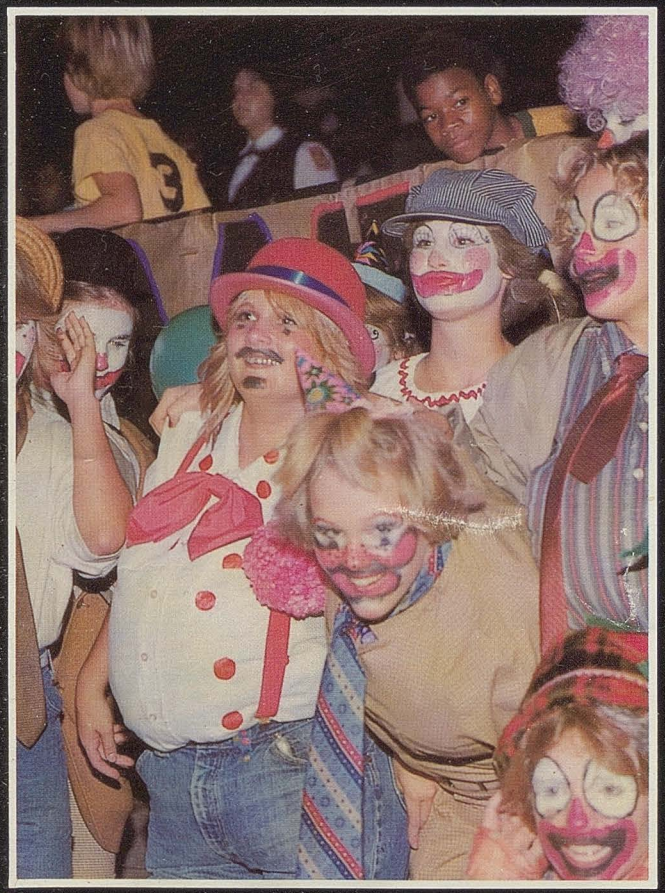

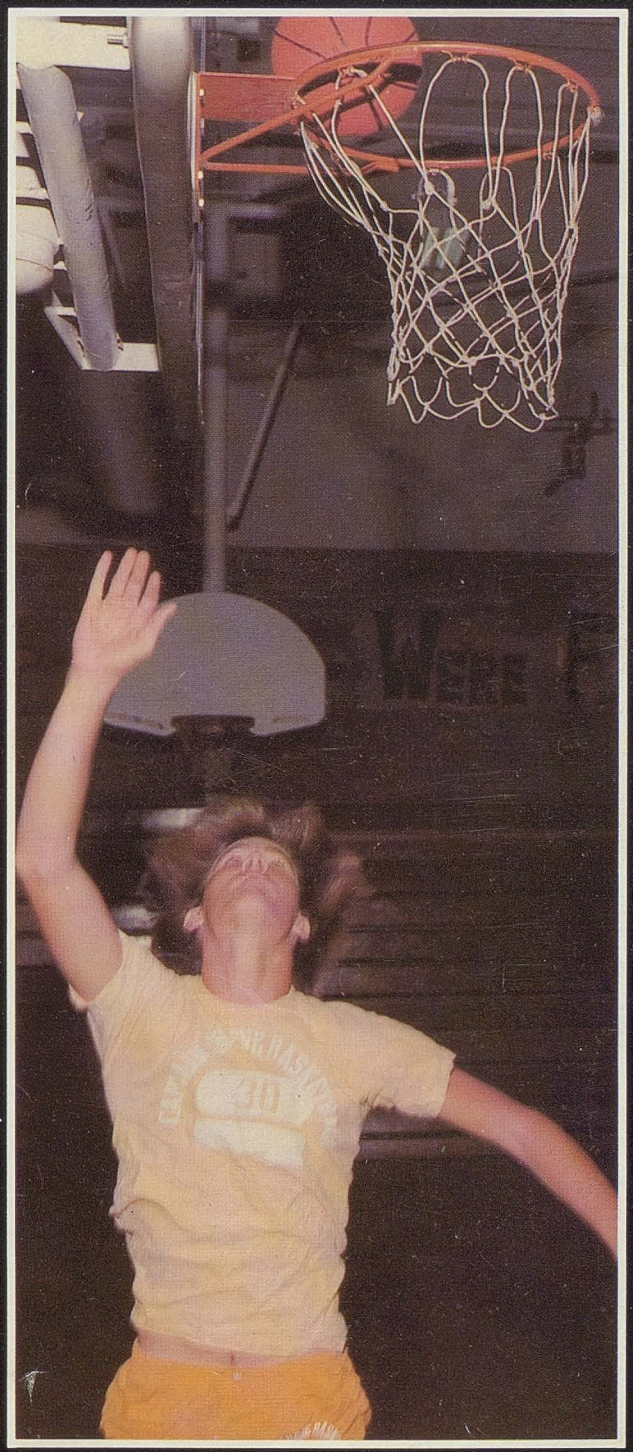

So set your
Goals high and
Strive to fulfill
Them, for only
Then will
Success come.

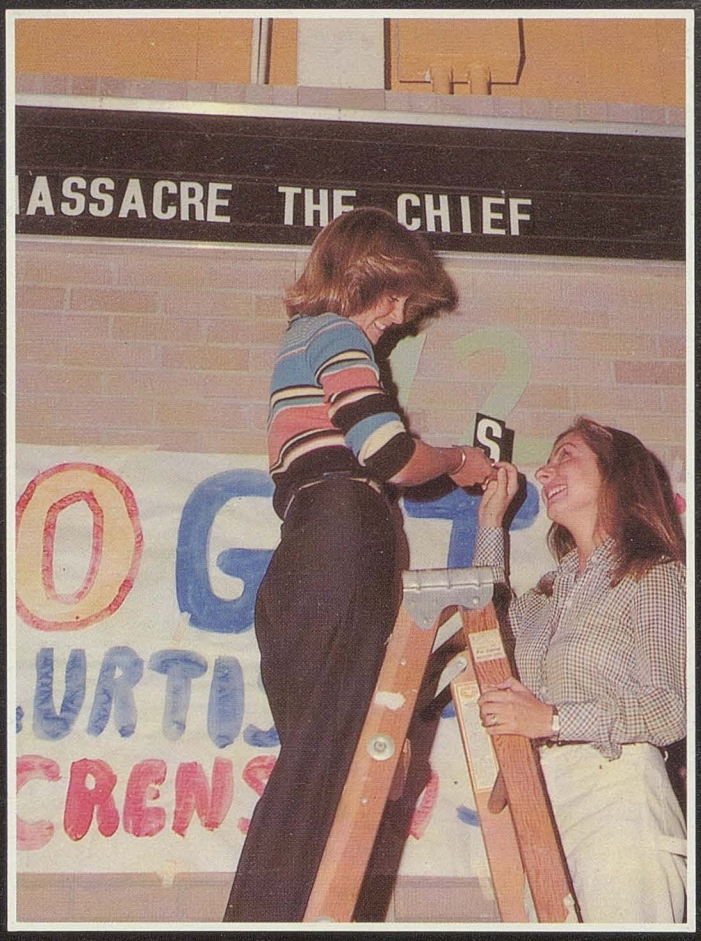

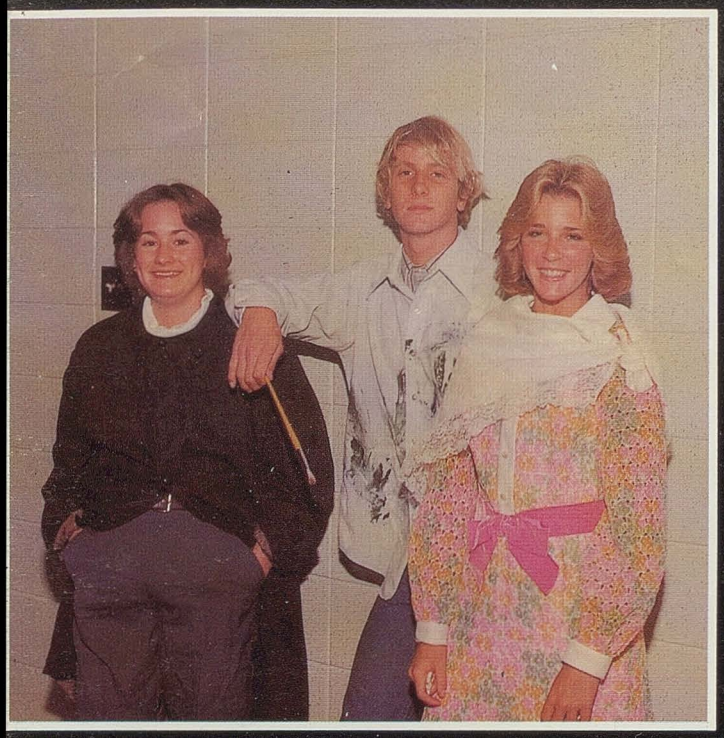

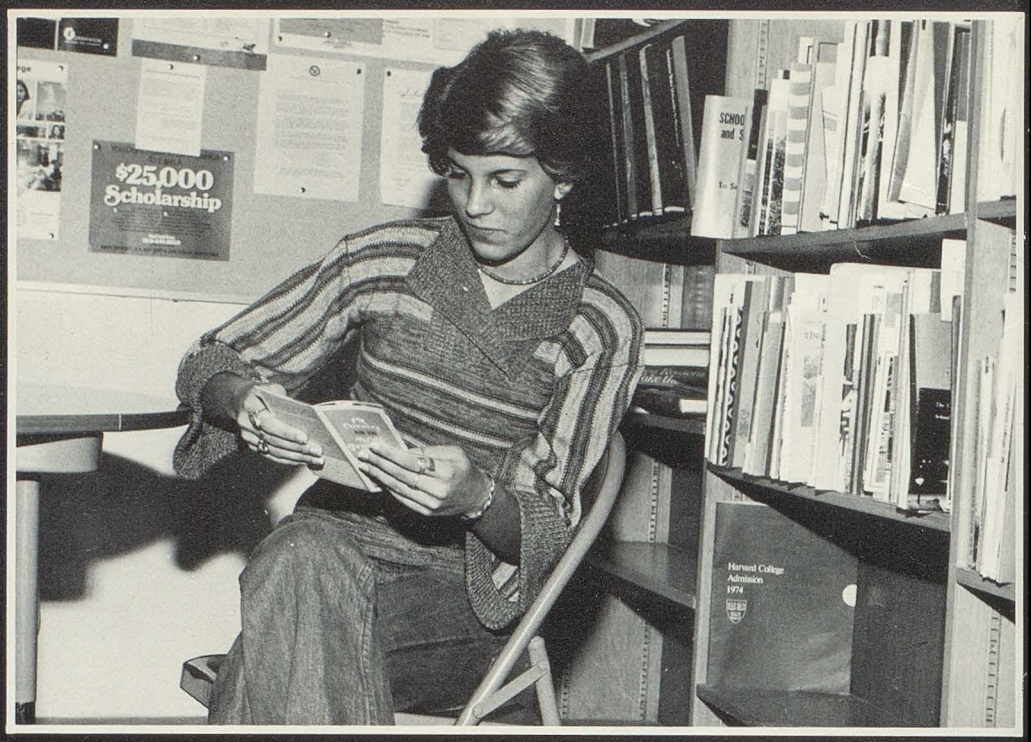

And set your goals
Now, so that

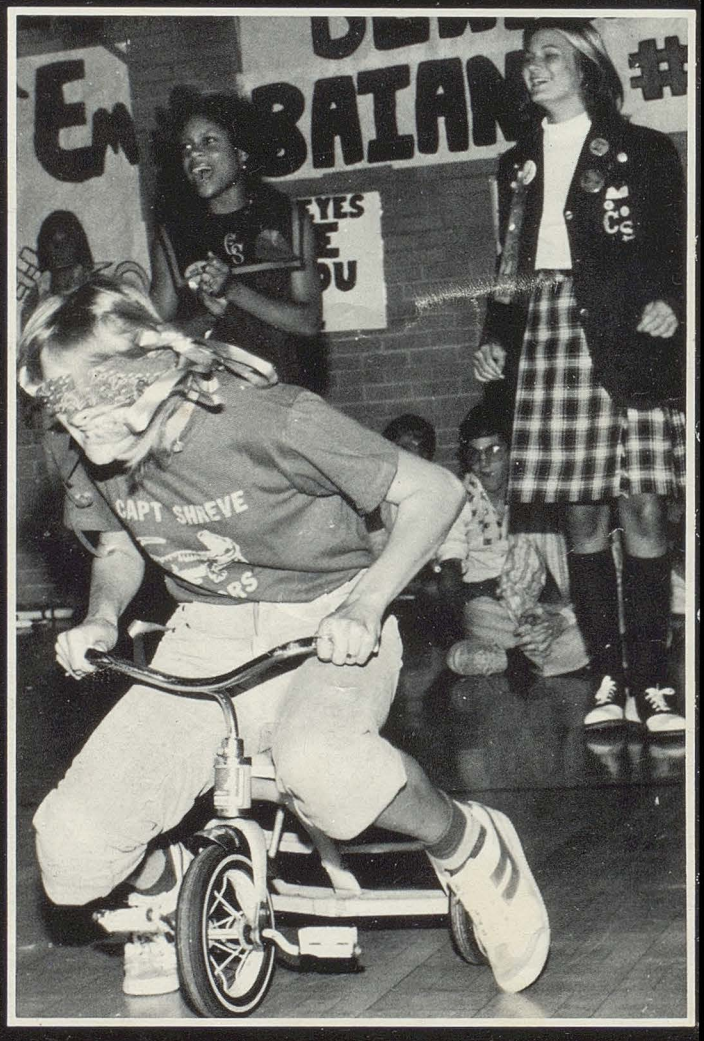

They may be
Achieved sooner

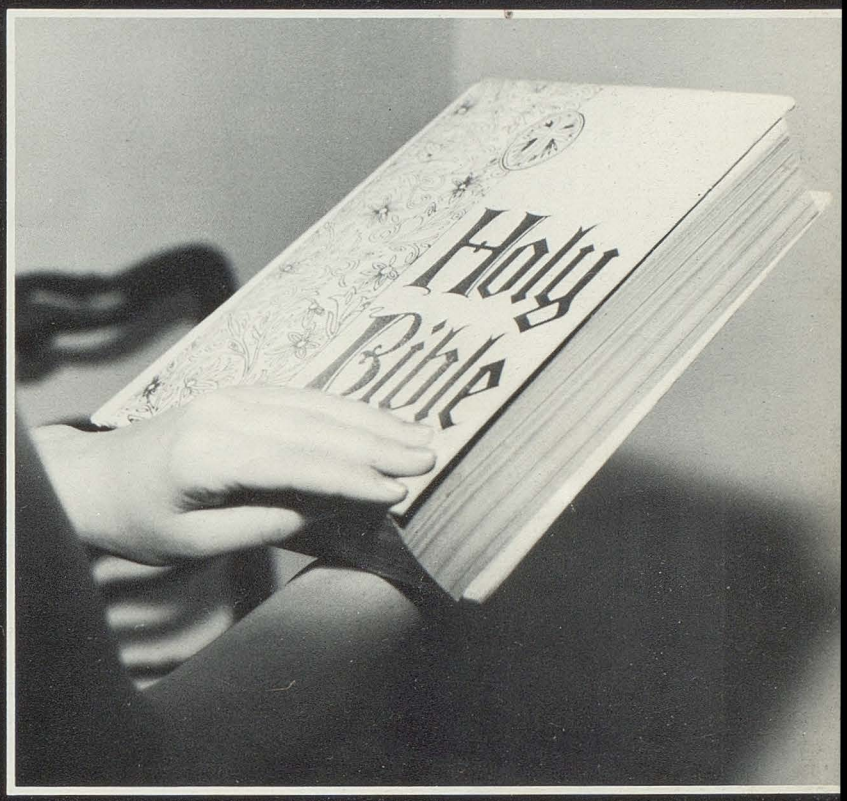

And in rising to
Meet these challenges,
Do not be afraid to
Ask for aid,

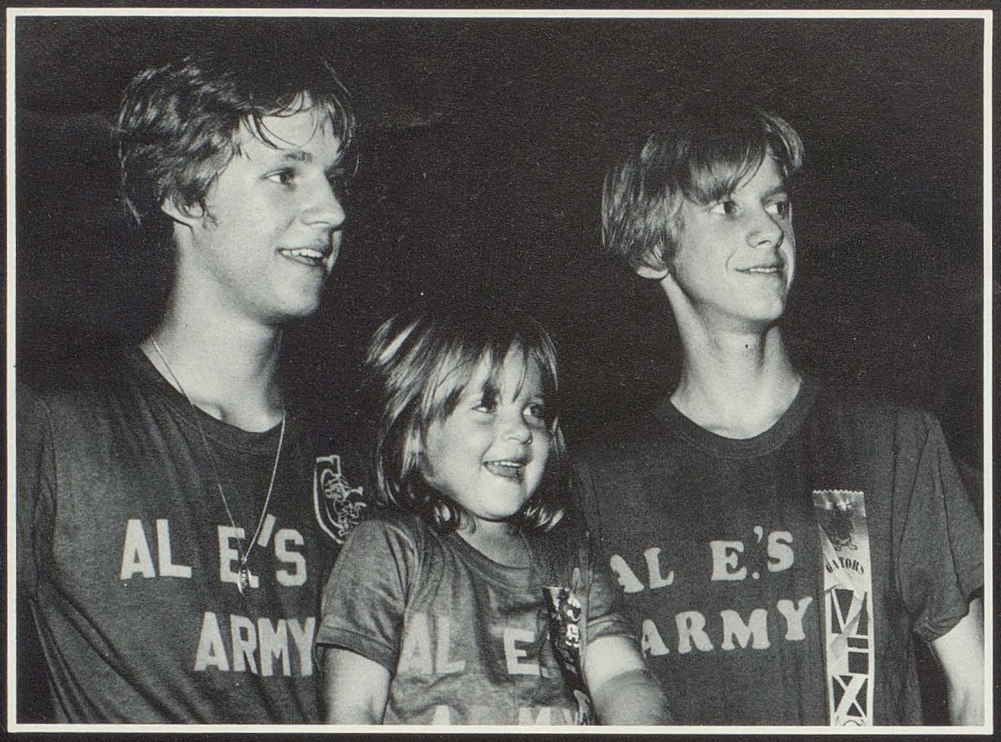

For there will always be

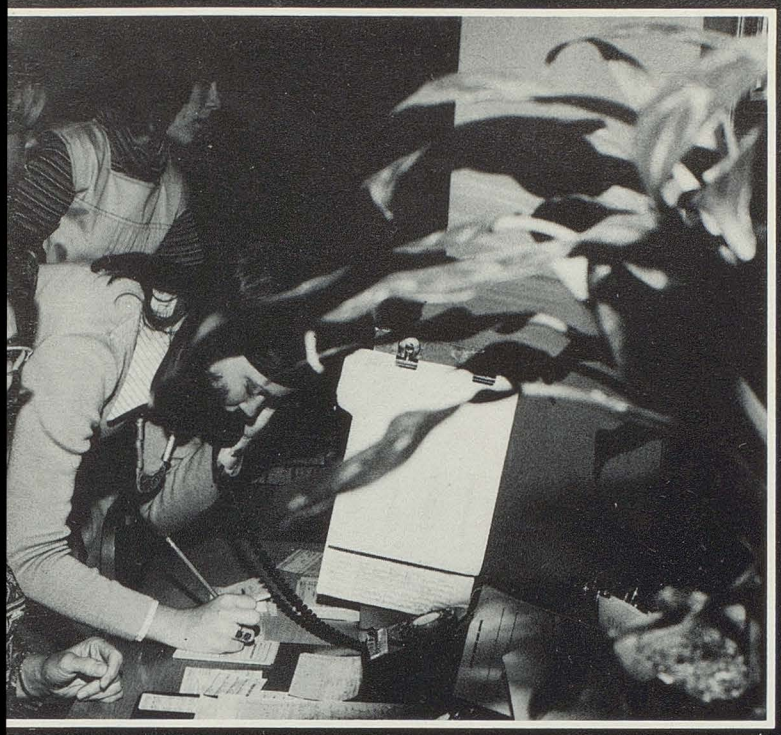

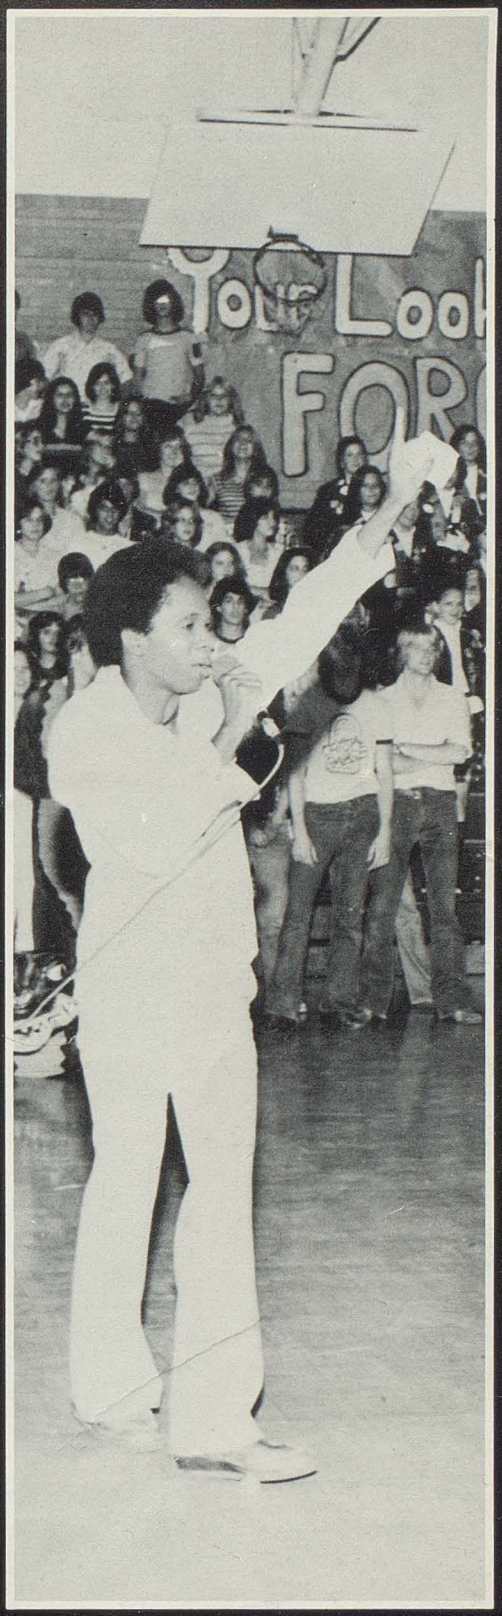

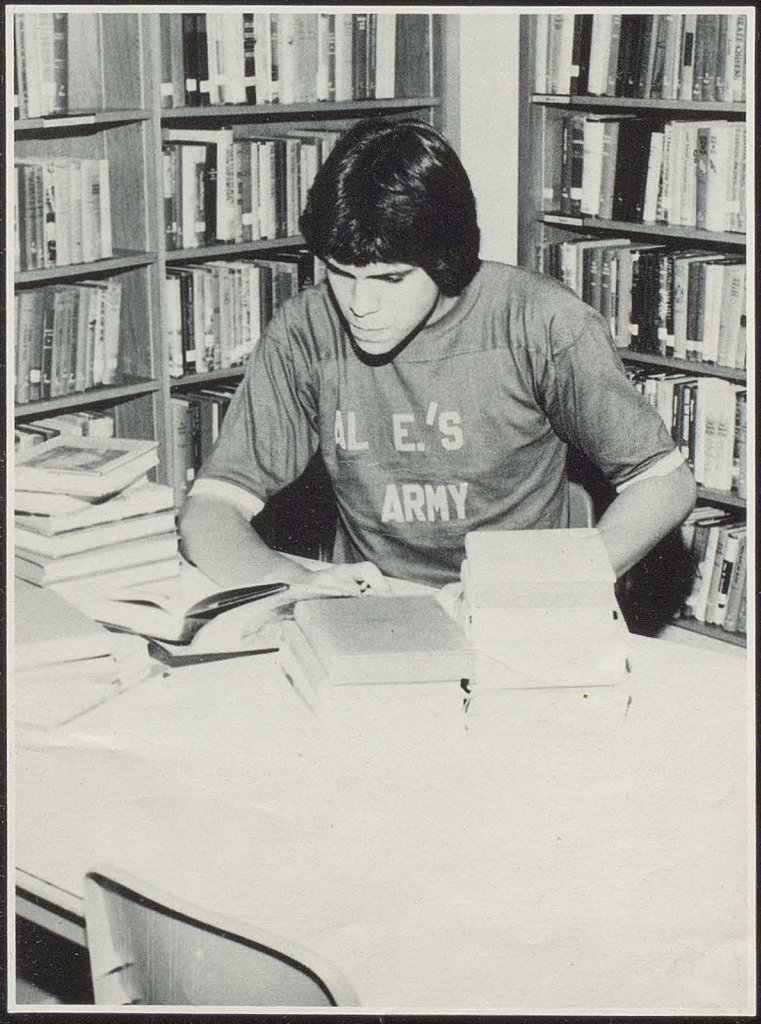

Someone who is willing to help.

Yes, a new day has begun,
It starts in mild confusion,

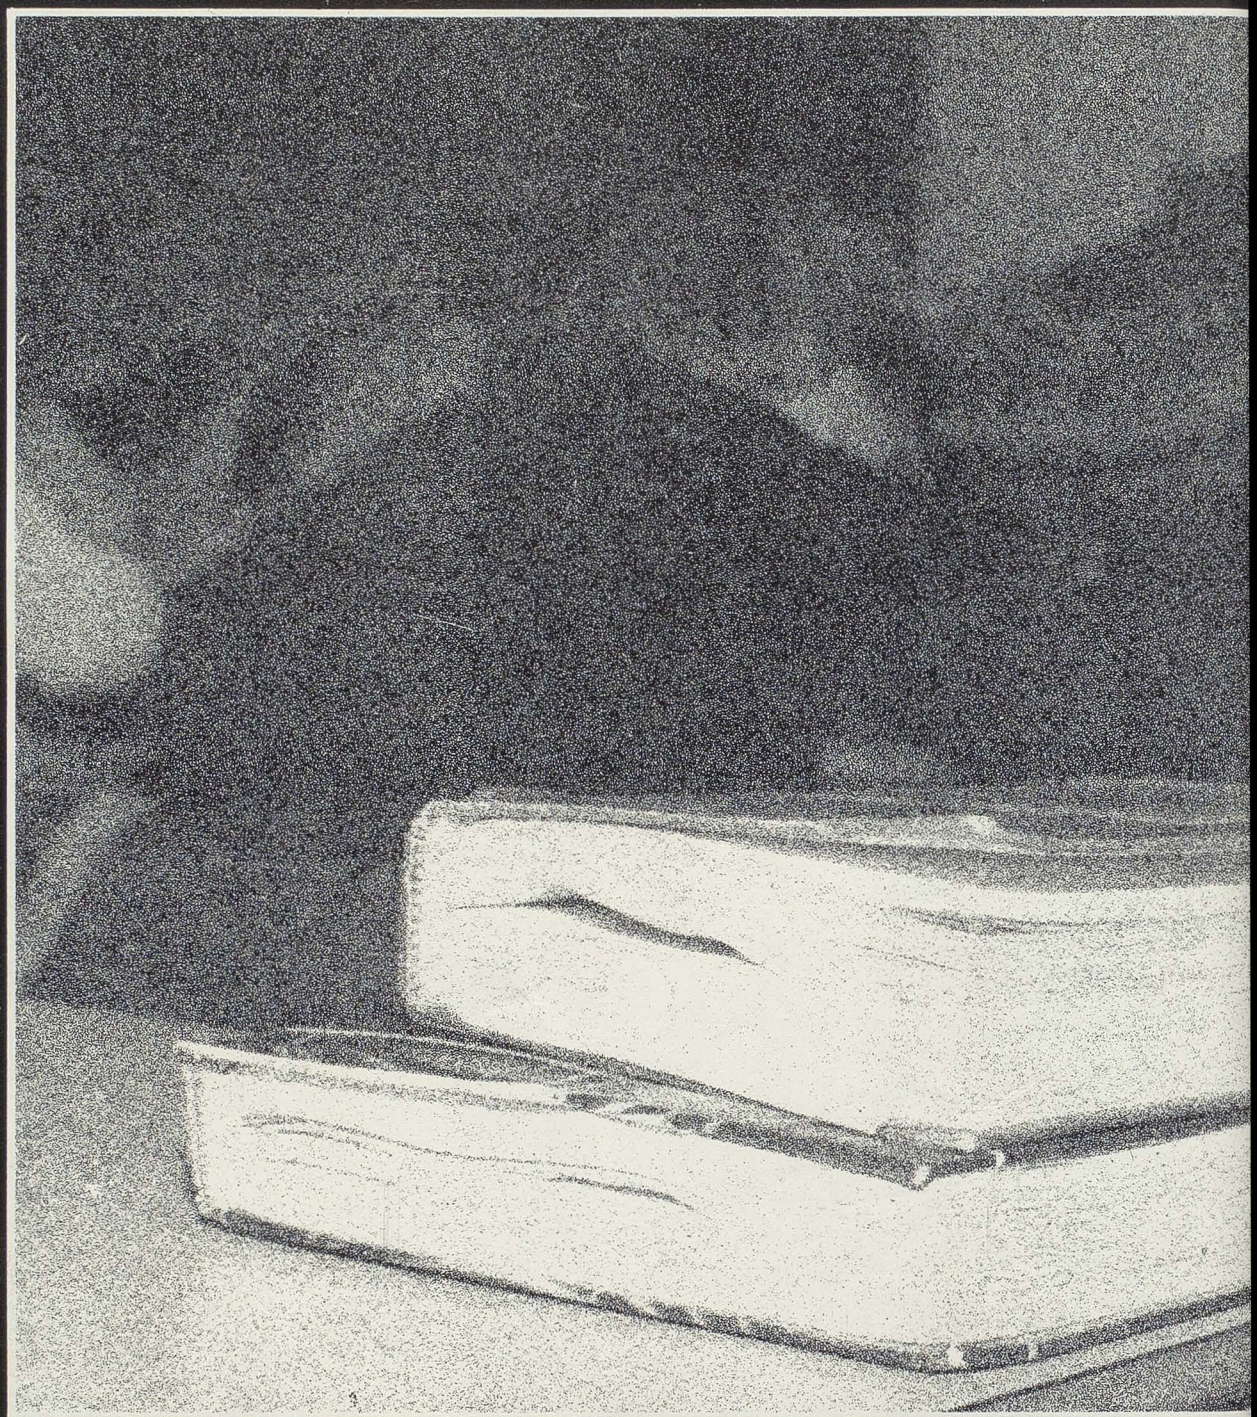

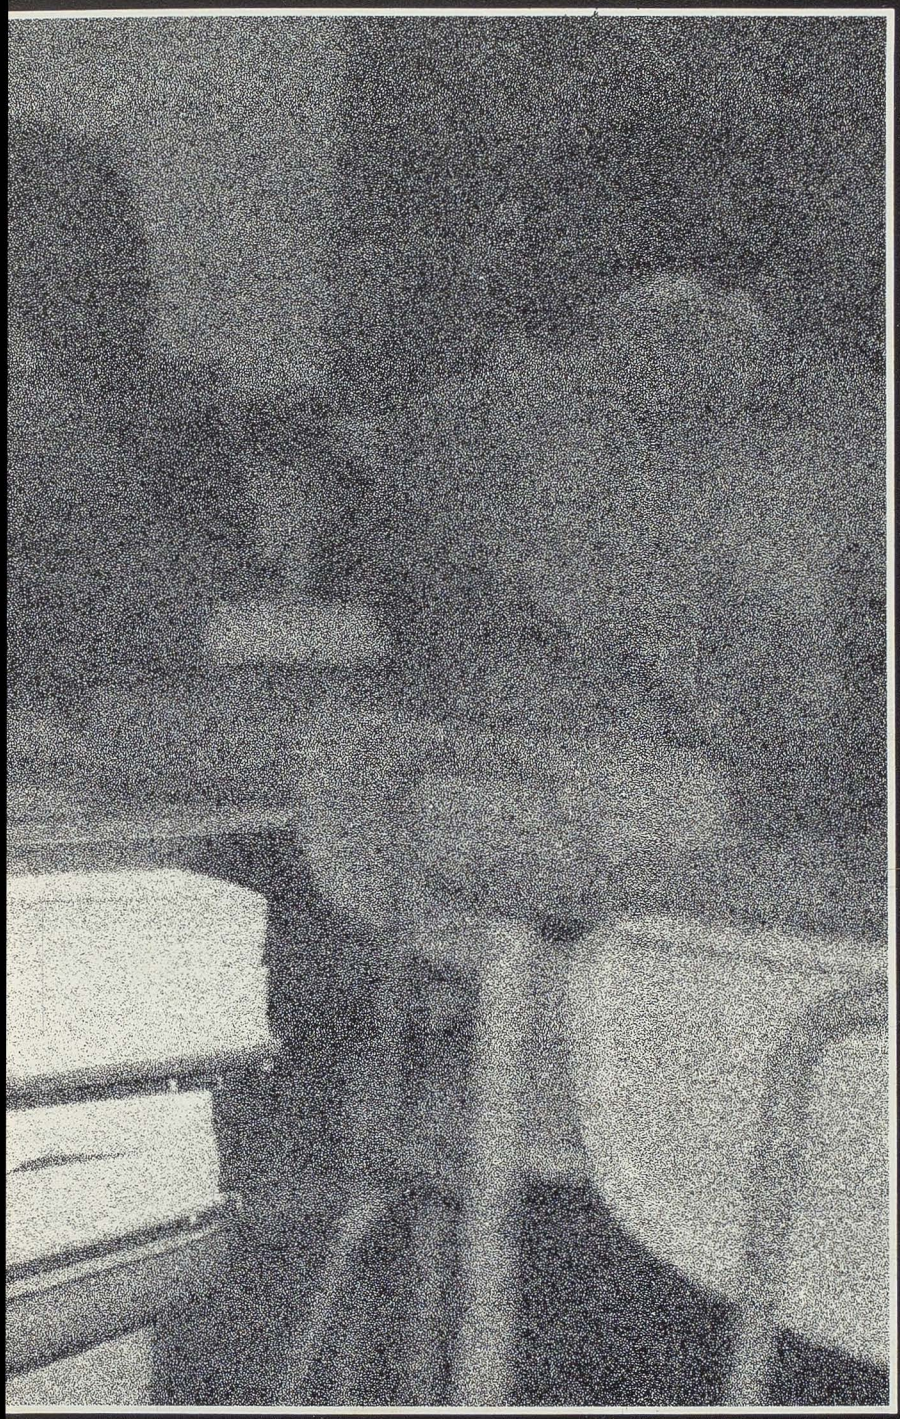

But ends in hopes of
Days to come.

Mr. Powell Is Respected by All

Captain Shreve High School is known for always having the best, and that includes having the best of principals — Mr. Stanley Powell. Mr. Powell is looked up to and admired by all of the students he encountered. He worked not only as an administrative principal, but sometimes as a substitute teacher when needed, a spirited booster at pep rallies, or a counselor that discussed student problems. His was a familiar, happy face around the school, concerned with the needs and interests of all the students at Captain Shreve.

Mr. Powell enjoyed attending ball games, plays, concerts and other school functions, and loved being with his family and friends or participating in outdoor activities. His next years as principal will be even more achievement-filled than the last.

TOP LEFT: Mr. Powell chats with an English class. **BOTTOM:** A hearty Captain Shreve welcome is extended to Betty Weiner and Sara Kalmbach.

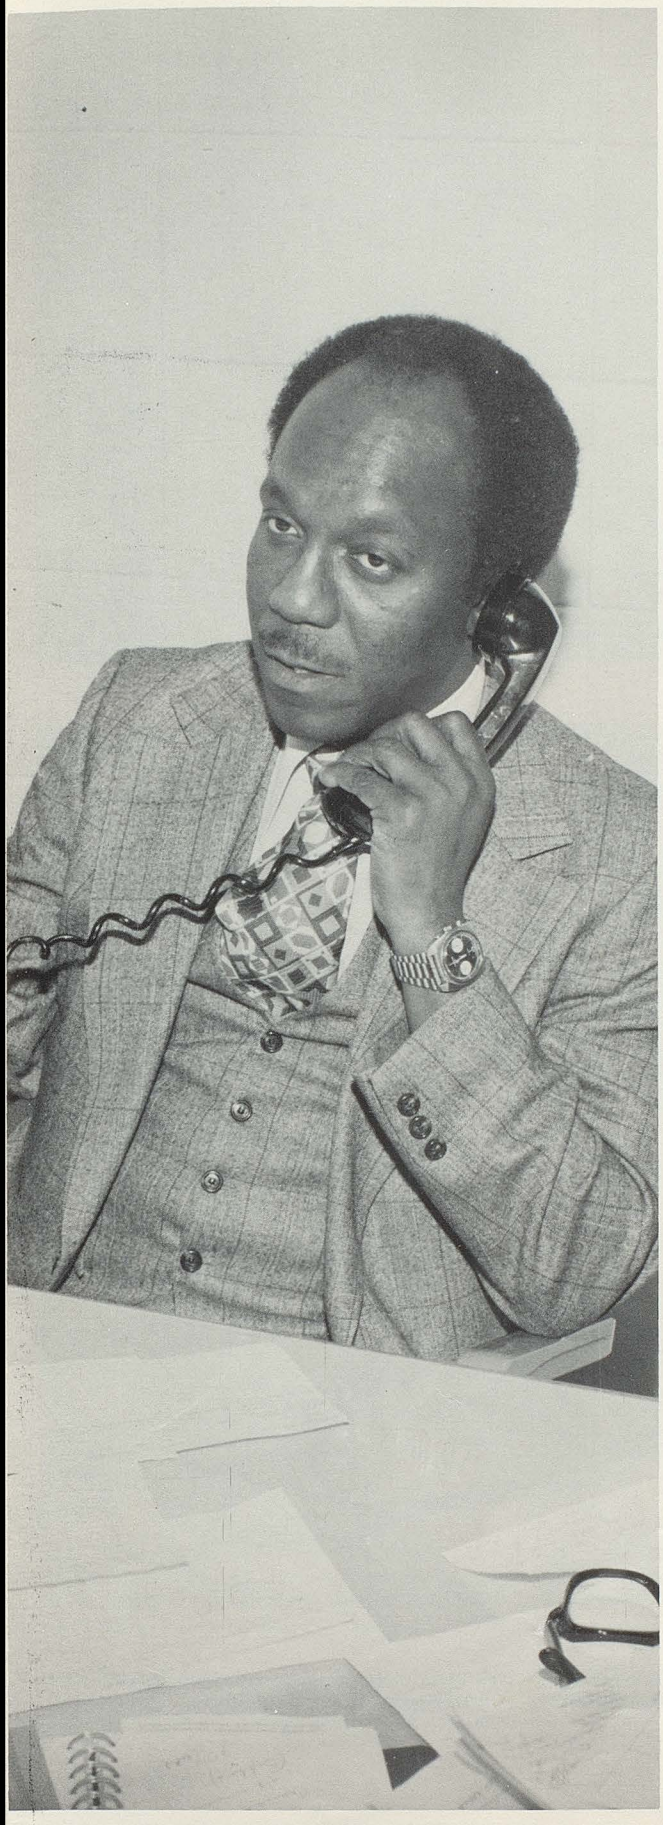

Assistant Principals Coordinate Activity

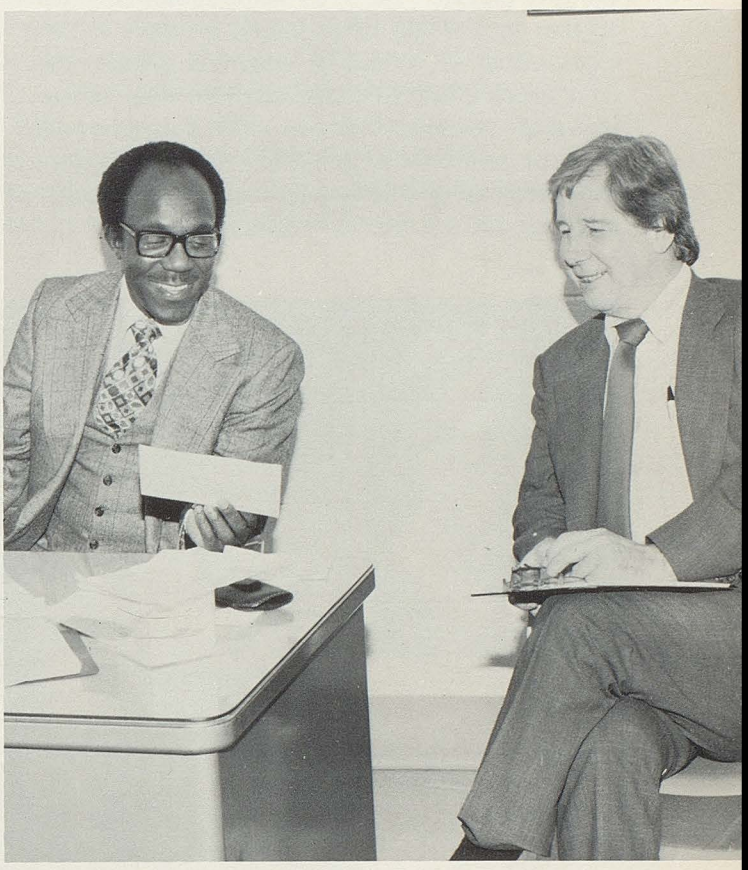

The primary responsibility of the assistant principals this year, was to aid in the preparation of student and teacher activities. Returning this year as assistant principal, was Mr. Donald Horton. Miss Sandra McCalla began her first year as assistant principal, replacing Mrs. Helen Dear during her leave of absence.

Miss McCalla worked closely with the faculty, scheduling classes, observing classroom instruction, selecting textbooks, and planning teacher in-service programs. Mr. Horton's duties involved direct contact with the students. He coordinated the activities of student organizations, supervised athletic events, and enforced student discipline. Together, the assistant principals worked diligently to handle school affairs smoothly and efficiently.

Advice Offered by Counselors

Throughout the years at Captain Shreve, the counselors have always been available to help students in any way that they could. This year, the counselors again did their best to aid students in selecting colleges, careers or schedules. By having many college catalogs, brochures, and scholarship applications, the counselors were able to answer most any questions that were asked. The counselors advised students to take the SAT and ACT tests, as well as the PSAT test so that they would be prepared to apply to colleges either in or out of state. As always, the counselors talked to students about their schedules and counseled them on which subject would be most beneficial to them. The counselors were also available to help students with any problem, and their sincere interest was apparent.

Office Help Is Necessary

The office staff was aided greatly by students who were enrolled in study hall but who wanted to become involved in office work. These student workers checked students in and out, made phone calls, received messages, and took care of absentees. These students performed a necessary job; one that would make the efficient running of the office difficult if the students were not willing to give their time to help.

The secretaries were also a part of the efficient operation of Captain Shreve. They were well organized in their work and in their handling of school affairs.

The hard and diligent work done by both the secretaries and the student workers was greatly appreciated by everyone at Captain Shreve.

Learning Center Provides Study Hour

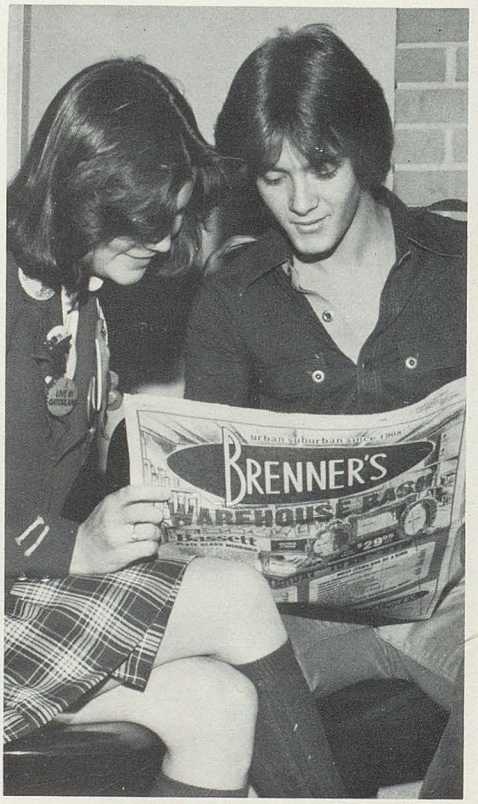

The Captain Shreve Learning Center provided many of the students the time they needed to study, read, or just to relax for a while. To meet the specific needs of students the center was divided into two sections — the quiet side, for those students who wished to use the period for studying or reading, and a loud side where students could chat with each other or watch filmstrips and movies.

Several aides were in charge of taking the roll and supervising the students in the center. There were several other aides at Captain Shreve who performed many important services. Some of their duties included making copies for teachers, finding resource materials, and helping the office personnel. The aides helped keep Captain Shreve running smoothly.

Library Aids CS Students

The Captain Shreve Library was an excellent aid to all students throughout the entire year. The library had subscriptions to a wide variety of magazines and kept back issues on file so that students could easily research topics in most any field. The library also had an excellent selection of books and encyclopedias to further aid student research or reading for enjoyment. Both magazines and books could be checked out for either two weeks or just overnight.

Several students enrolled in study hall elected to work in the library instead. In the library, they were in charge of checking books in and out, collecting fines, and helping students locate materials that they needed. Librarians Miss Ramsey and Mrs. Valore, aided by the student workers were able to provide students with a pleasant atmosphere to study, to read, to do research, or to do homework.

English Teaches Basics

One of the greatest advantages offered English students at Captain Shreve was a good background in the basics. Basic fundamentals of grammar and literature were taught to provide students with the essentials needed for future use. In courses such as English I, II, III, IV, and Reading I and II, students were drilled on such subjects as spelling, the principles of composition, and the rules of sentence structure. Students were also given the opportunity to increase their vocabulary and word usage.

Through these courses, students at Shreve were helped to prepare for the future, whether it be college courses or business careers.

English Stirs the Imagination

English courses at Captain Shreve gave students the opportunity to express their imagination and creativity through the world of literature. Class discussions were held on novels read outside of class and students were encouraged to show their ability and knowledge through writing their own works. Courses in Speech and Drama were provided for students interested in studying the arts. For those interested in writing, Journalism and Creative writing were offered.

All of these courses helped to broaden the students' prospective of the English language.

Social Studies Is Interesting

Why do we need Social Studies? We need Social Studies to learn about the past and to build the future. The Social Studies classes included such courses as Civics, American History and Free Enterprise, the latter being offered to seniors only. The courses range from learning about our nation's background to studying about our government.

This school year 1977-78, the Civics classes went to New Orleans to see the King Tut Exhibit. The history classes studied the Constitution and why it was accepted. Students in these classes were given the chance to voice their opinions and discuss possible solutions and alternatives. The teachers helped the students understand better through slides, films and other visual aids.

Math Plays a Vital Role

Mathematics is a vital part of everyday life and the math department at Captain Shreve met the needs of its students by offering courses that helped prepare students for future careers. For those students who only needed a basic course in mathematics, General Math was offered. Business Math gave students the background required for a business career while courses like Geometry, Algebra I, and Algebra II provided students with a firm math foundation and helped to develop logical reasoning. Advanced Math and Computer Programming were offered to fulfill the needs of students who excel in the mathematics field. The CS math department, by offering a wide variety of math courses, was successful in meeting the needs of its students.

Science Classes Key to Understanding

The science department at Captain Shreve provided students with many opportunities to explore and understand the mysteries of the world around them. Biology classes studied plant and animal life in an effort to learn how and why organisms act as they do. Students taking chemistry determined the atomic and molecular structure of earth materials and studied the changes that occur in these materials. The physics classes were concerned with mechanics, heat, light, sound, electricity, magnetism, and the properties of matter.

The science classes encompassed many interesting fields of study that broadened the awareness of Captain Shreve students.

P.E. Classes Become Co-Ed

This year marked the beginning of co-educational physical education classes at Captain Shreve. Boys and girls learned to compete and cooperate with each other in many sports and activities. Golf, archery, badminton, bounce-ball, and volleyball were some of the activities offered by the physical education department.

The co-ed P.E. classes aroused new interest in the Captain Shreve Athletic Department. This new concern was evidenced by the creation of the girls' basketball and track teams, both of which are a first at Shreve. Participation in already established sports such as football and basketball also increased this year.

Business Courses Plan for the Future

Some of the business courses offered this year at Captain Shreve were bookkeeping, general business, shorthand, and typewriting. Shorthand, by the use of signs and symbols, was a shorter method of note taking. Bookkeeping taught fundamentals in accounting. Typing was a skill which trained students and would prove useful in their future career plans as well as in the present.

There were more advanced courses such as Bookkeeping II, Shorthand II, and Typewriting II. These were for the more advanced students who had taken the other subjects earlier. The business courses provided the students with extracurricular activities such as typing long range papers.

D.E. and C.O.E. Provide Experience

The Distributive Education, Work Study, and Cooperative Office Education programs were for students who were interested in obtaining a job, or simply learning more about the world of business. These courses provided background training in such things as typing, shorthand and bookkeeping. Proper buying and selling techniques were also taught.

These programs were set up to provide not only classroom lessons, but also first-hand work experience. Students participating in the programs attended regular classes at Captain Shreve for half a day, and worked for the remaining periods.

This type training helped to prepare students for future business careers.

Foreign Languages Offer Enrichment

The Foreign language department at Captain Shreve offered cultural enrichment to students with an interest in foreign tongues. Knowledge of foreign cultures enriches a student's mind and helps him pull the world a little bit closer together.

At Captain Shreve, basic and advanced study was offered in: German, French, Spanish and Latin. Students learned grammar and speaking patterns of different lands and studied the varied cultures of foreign countries. A sense of pride in the knowledge of a foreign language makes the learning experience worthwhile. The four foreign language clubs offered extra knowledge and fun activities such as the Olympic games and foreign dinners.

MRS. LOUIE CHALFANT . . . French I, II, III, IV . . . B.S., Centenary; M.Ed., La. State Univ.; . . . Sponsors French Club, Senior Class.

Art and Music Provide Talent Outlet

The Art and Music departments at Captain Shreve offered an outlet for students with creative talent. Art Students revealed their talents through many mediums including clay, paint, charcoal, wood and ink. Creativity coupled with the knowledge of basic art skills enabled an art student to produce something beautiful. Courses offered included Art I, II, III, IV, and Art Education.

The Music department offered courses in music, band, orchestra and choir, in addition to the marching band, stage band, choir and orchestra. These musical groups attended numerous festivals and brought home many top awards.

ROTC Emphasizes Leadership

The primary emphasis of the ROTC program at Captain Shreve was leadership development and teamwork. Students learned the qualities necessary for good leadership and gained practical experience as leaders by serving as battalion and company officers.

ROTC also provided students with many extracurricular activities. The Rifle Team and the Military Drill Team competed in many events throughout the year. There were also field trips during other than normal school hours. The course also provided an inroad to highly remunerative college scholarships offered to qualified students.

Electives Teach New Skills

Electives offered by Captain Shreve gave students the opportunity to explore a variety of different fields. These electives included such courses as Mechanical Drawing, Small Appliance Repair, Woodworking, Home Economics, and Small Gas Engines.

Mechanical Drawing classes focused on mechanical, architectural, and engineering drawing. Small Appliance Repair and Small Gas Engines helped to acquaint students with the industries engaged in the manufacture of engines. Home Economics developed an appreciation of the importance of the home and the family in the American way of life.

Through these electives the students were allowed to try out a variety of new skills.

Career Center Expands Curriculum

The Caddo Career Center served as an extension of area high schools that offered vocational and technical courses to juniors and seniors in high school. It prepared students for employment with salable skills and technical knowledge.

The center offered over twenty courses, ranging from electronics, commercial art, health occupations, and agriculture, to welding, printing, and data processing. The curriculum at the center varied to meet the needs of local businesses and industries.

Cafeteria a Pleasant Place

Through the efforts of the cafeteria manager, Mrs. Kathleen Johnson, and her hard working cafeteria staff, the students at Captain Shreve were provided with two hot meals a day.

In addition to lunch, which included two hot lunch lines and one sandwich line, those students interested were also offered breakfast every morning before school.

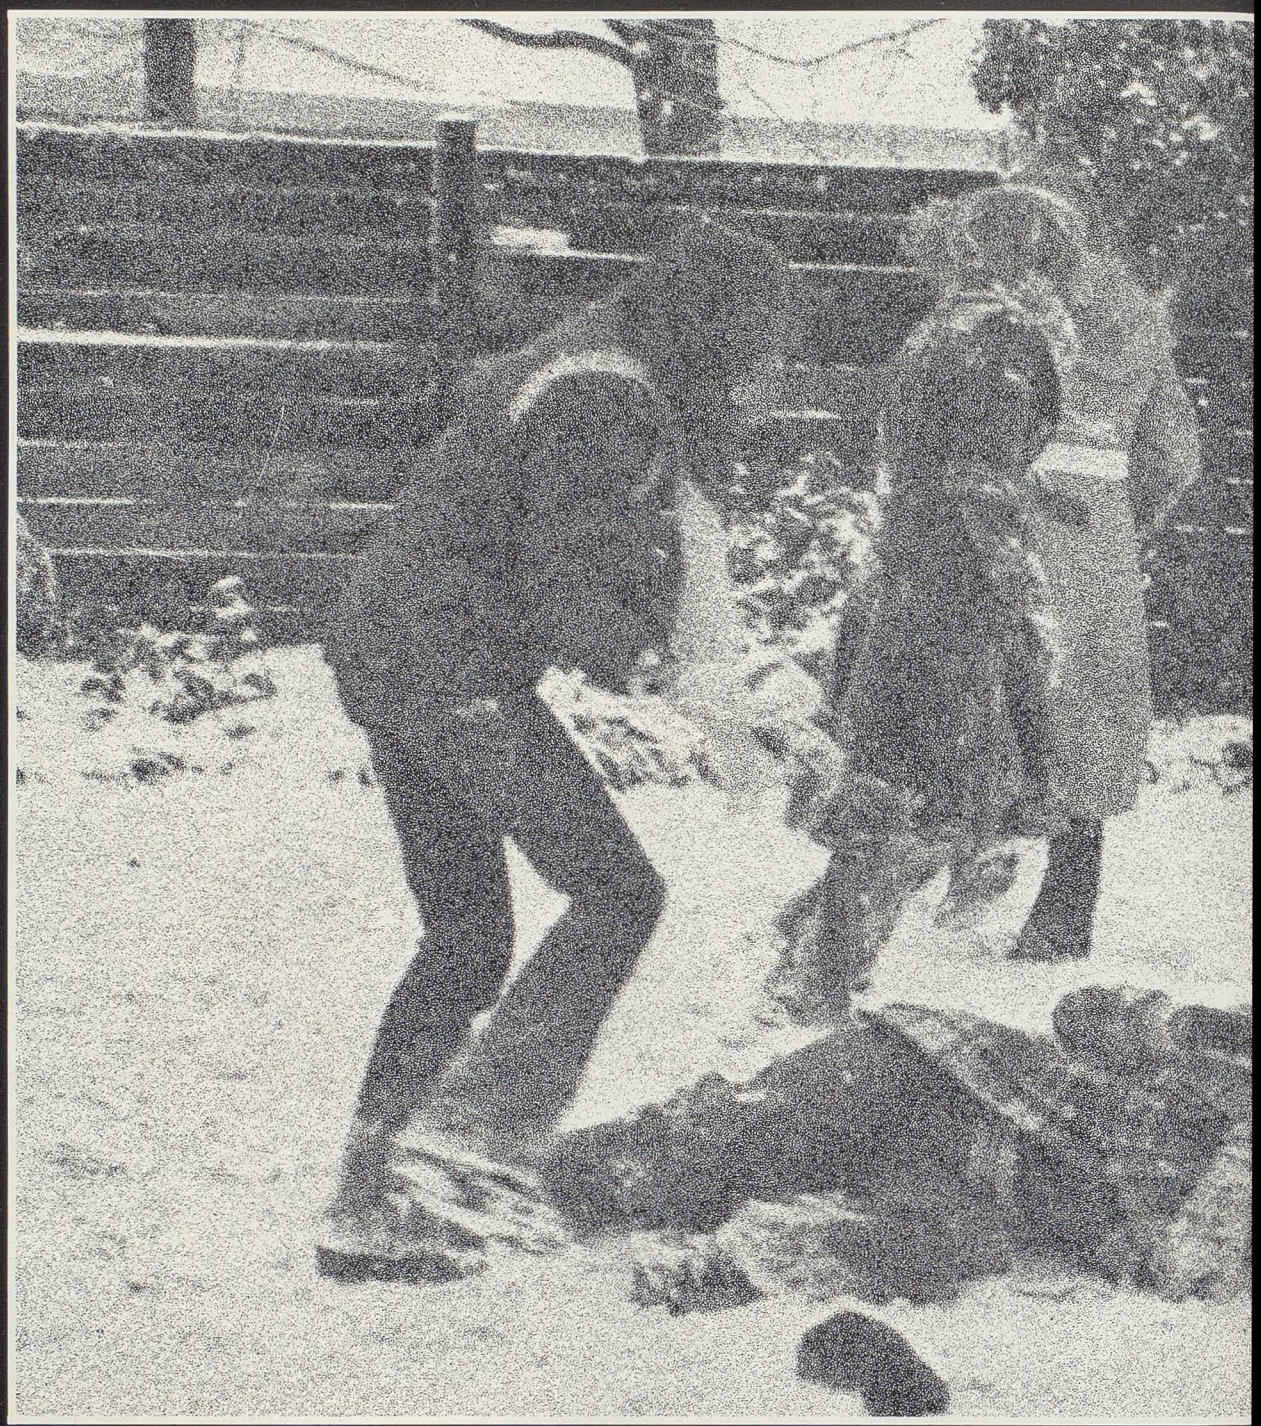

During lunch, various teachers were on duty to supervise the students.

The efforts of all of these people helped to provide a pleasant atmosphere in the Captain Shreve cafeteria.

The Melody of Shreve

Just as Diana Ross, Peter Frampton, James Taylor, Olivia Newton John, and Stevie Wonder had different styles in the music they sang, students at Captain Shreve had different styles in which they lived their lives each day. Music played a big part in the way we acted and in the moods we exhibited. Each individual had a certain style of music they enjoyed and a certain type of life they lived. Whether their style was fast and happy or slow and sentimental the Captain Shreve students seemed to be themselves and displayed their type of rhythm towards life to everyone.

Boogie Fever!

During the 1977-78 school year, everybody had "the fever", including the faculty. Each new day brought about enthusiasm and involvement in many different activities. Each student and teacher had at least one ambition they wished to accomplish, and they usually did.

School spirit, greatly boosted by the pep rallies, enabled everyone to join in and become part of the action. Football games, dances, and other extra-curricular activities added fun to the year. Spirit abounded everywhere! With each new season, new activities and ideas brought enjoyment to everyone at Captain Shreve, making this year one of the best.

Rainy Days and Mondays

At Captain Shreve there were a few gloomy days during the year. At least **every one** felt at times nothing was going right, but, after a while, things started looking up. Depression must have hit every student at some point in the year. With the help of faculty and friends, life was back to normal in a short while. Tests, failures, and homework added to the "rainy days." Though sometimes the days seemed endless, there were always some highlights that once again caused smiles to return and spirits to boost. All in all, there was more happiness than depression, and the 1977-78 year was a good one for everybody.

Looks Like We Made It

During the past year at Shreve every Gator experienced the exhilarating feeling of accomplishment, that warm wonderful feeling when the job was finally finished, an exam was over, or a student learned that he had been accepted in his favorite club. Whether it was as seemingly insignificant as finally making it to class on time or as monumental as winning the district title in football the same exciting feeling of victory occurred. These special times, when a certain goal was achieved, made all the work and effort in high school worth while.

I've Just Got to Be Free

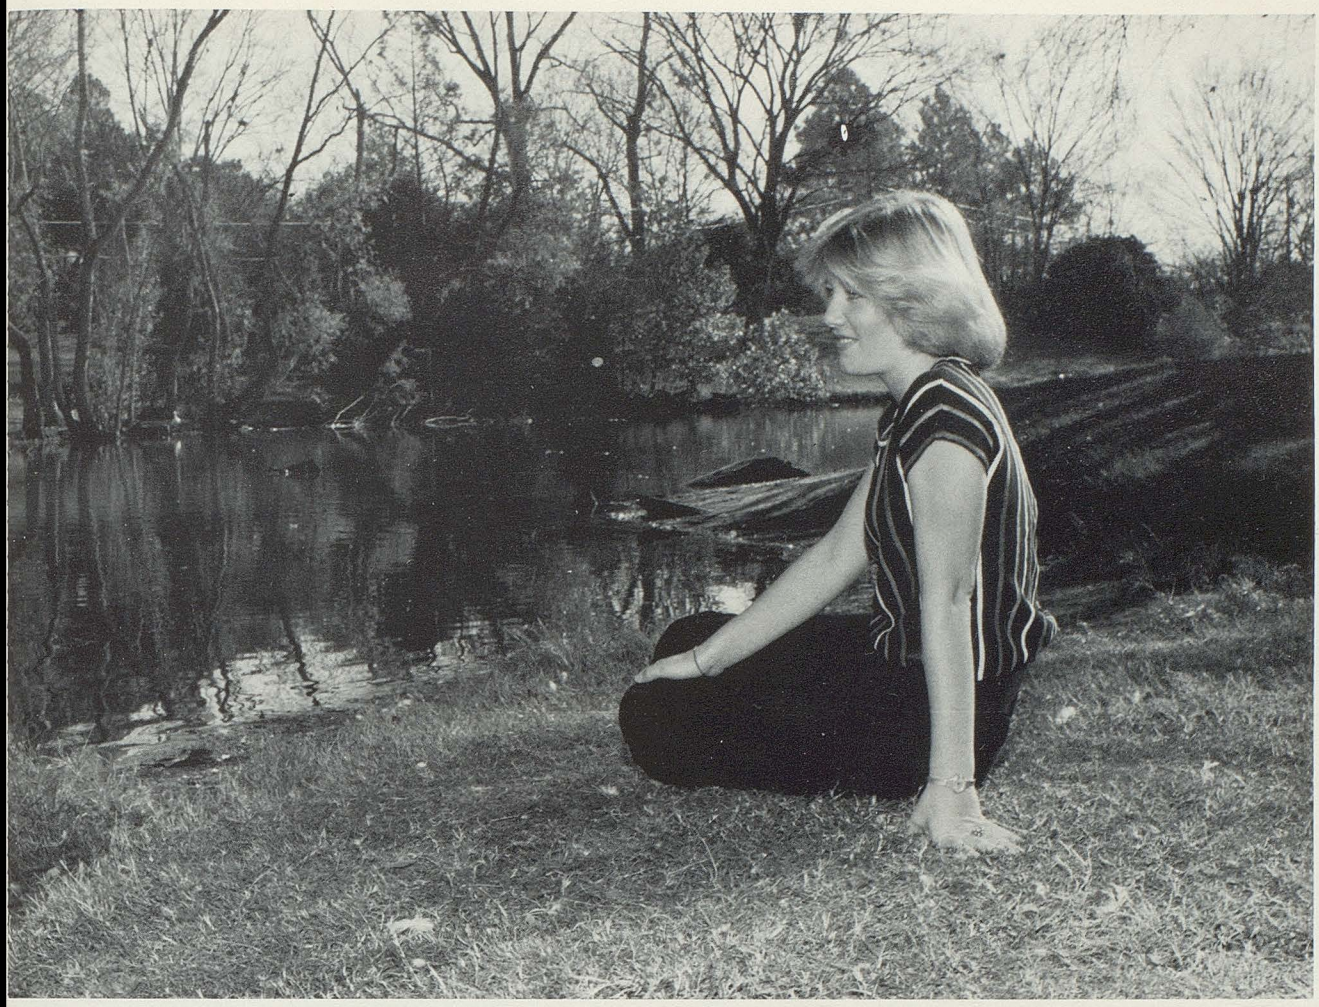

There was a certain feeling of freeness felt among the students at Captain Shreve. Each individual had his own way to escape from troubles, tensions, and frustrations. Whether it was going off by one's self or getting together with a group of friends, everyone found their get-away spot. At times there were some things that might have taken away from our freedom; but, at the end we always regained it. Although then we sometimes neglected the freedom that we had, we will appreciate it later on in our lives and wish those fantastic high school days were back.

Old Days

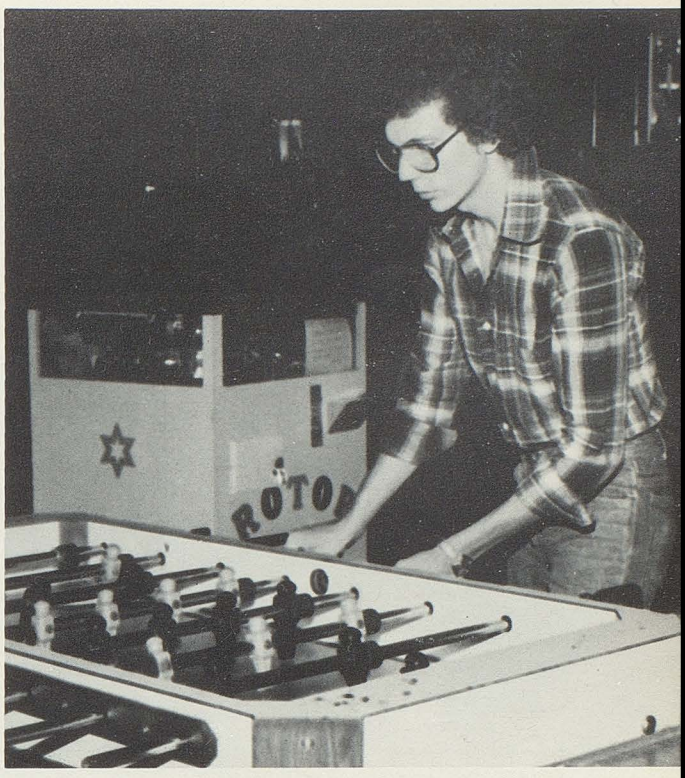

"Old days, good times we remember. Fun days, days we'll always treasure." Those are the beginning lines of the song "Old Days" by Chicago which described our days at Shreve very well. Those days will remain in our thoughts throughout the many years ahead of us. Memories of high school friends, teachers, classes, and even the mischevious things we did will flash back to us and allow us to dream about those wonderful and fulfilling years. The three or four years we spent at Captain Shreve were only but one phase in our life but it was a phase we will always treasure.

You've Got a Friend

Friends were one thing at Captain Shreve that were very easy to be found. Since there was no scarcity of friends at Shreve, there was always a feeling of helpfulness and support among the students. The song by James Taylor said, "Winter, Spring, Summer, or Fall, all you have to do is call, and you've got a friend." That was just the way it was throughout the warm halls of Shreve. Whenever anyone needed help with a problem or anything, all they had to do was call for a friend and he would always appear to lend his helping hand.

Send in the Clowns

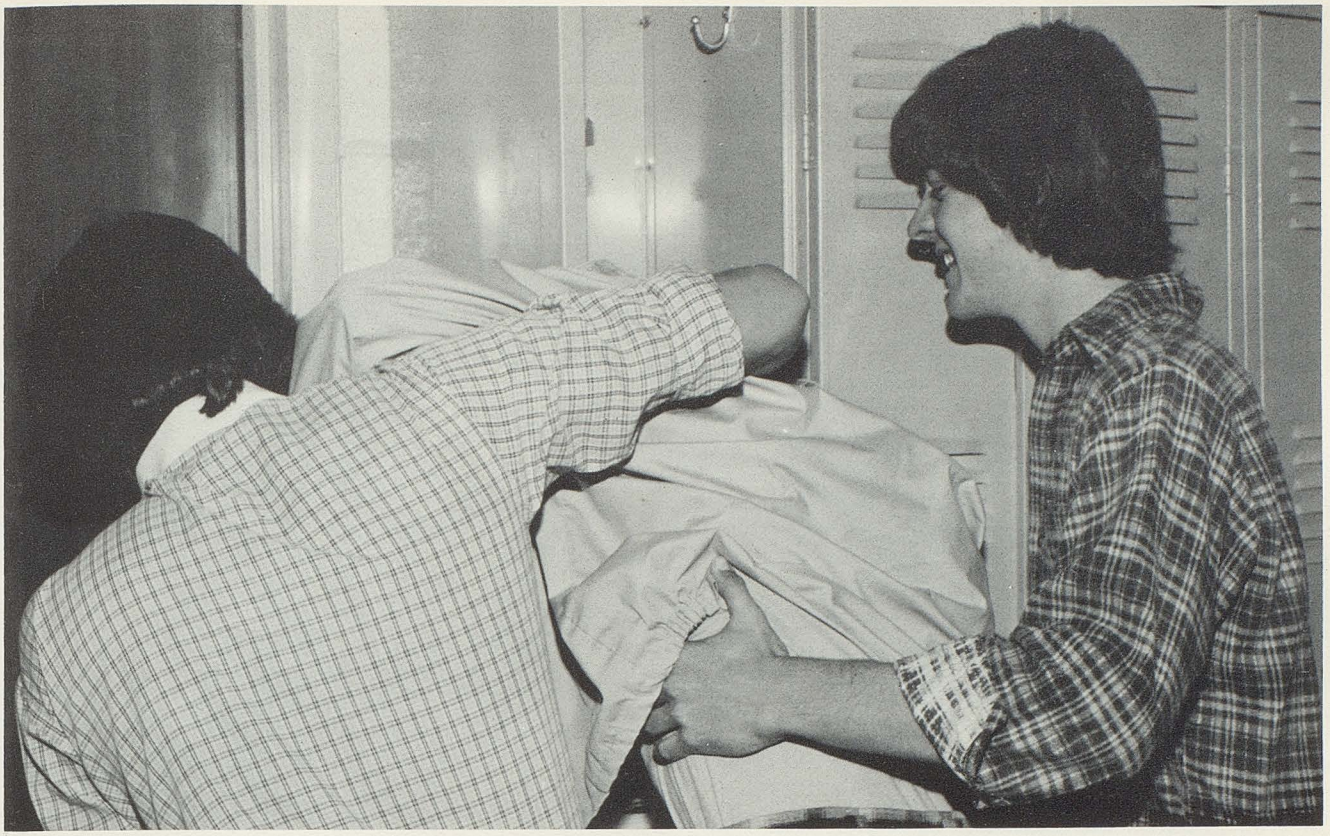

Laughter was a predominant element in the halls and classrooms of Captain Shreve this year. Students could be seen enjoying themselves almost everywhere on the campus. Many Gators took pleasure in the fellowship of good friends. These happy times helped to make the bad days more bearable and the good ones even better. Laughter was an excellent way for students to relieve the tension and pressure that one experienced in school. All and all, a feeling of joy and happiness prevailed over all activities at Shreve this year.

More Than a Feeling

During the past year at Shreve every Gator experienced very special times in their lives. These special times were different for each individual, but whether a reassuring smile was received from a special friend or an encouraging word was given from a teacher each experience was treasured. These touching moments were the foundation of the spirit at school, which flourished throughout the year as students got to know each other better and grew more accustomed to their surroundings. These incidents, no matter how large or small, made lasting impressions in the student's memories of high school.

The Melody Lingers On

A melody is a rhythmic succession of single tones arranged in a way that is pleasing to the ear. This past year at Captain Shreve can be described as a melody. Football victories, mid-term exams, parties, disappointing grades, and all the other things that were a part of high school life combined to make the balanced harmonious melody of Shreve. Each student activity was just as important as any other in achieving the total harmony of life at school. The memories, good and bad, will not be easily forgotten by any of the students. Like any memorable tune, the melody of Shreve will linger on in the minds of the students forever.

Student Council Has Active Year

The Student Council, which consisted of senators, representatives, and the executive committee, planned and sponsored numerous activities throughout the year. Michael Jones, who actively led the student government, enlisted members to serve as a liaison between faculty-administration and the student body. Projects, to complete this goal, included taking charge of the homecoming dance and student I.D.'s. The Student Council, sponsored by Mr. Matt Perdue and Coach Johnny Burnom attended the L.A.S.C. Convention, sent birthday cards to teachers, and took charge of the Barret Pals Project at Captain Shreve.

Astra Members Promote Spirit

Guided by Mrs. Judy Horne and the Alstrusa Club, each member of the Astra Club participated in school as well as community activities. The members served as guides during the Red River Revel and at college night, ushered at various plays at the Shreveport Little Theatre, visited Shriner's Hospital and worked at the Poor Man's Supper. Club members promoted school spirit by placing streamers on cars, selling and delivering Halloween treats, and sponsoring a spirit week during football season. During spirit week, the members gathered for a spirit breakfast, and presented a skit at a pep rally. Each project helped the girls to become involved in many activities.

Octagon Has Good Second Year

The Octagon Club, one of the co-educational service clubs at Captain Shreve, worked on many projects during the 1977-78 school year serving both school and community. Though relatively new, the club had a productive year.

Under the guidance of their faculty sponsor, Ms. Judy Langley, club members collected food items, clothing, and toys for those less fortunate than they. During the basketball season, Octagon members decorated the lockers of basketball players to increase spirit. A special project involved collecting money to contribute to the Heart Fund. All in all, the Octagon Club had a very successful second year.

Z-Club Sets Standards High

The Captain Shreve Z-Club motto, "Growth Through Service," was carried out by Z-Club members throughout the 1977-78 school year. Z-Club provided innumerable services for the school and the community.

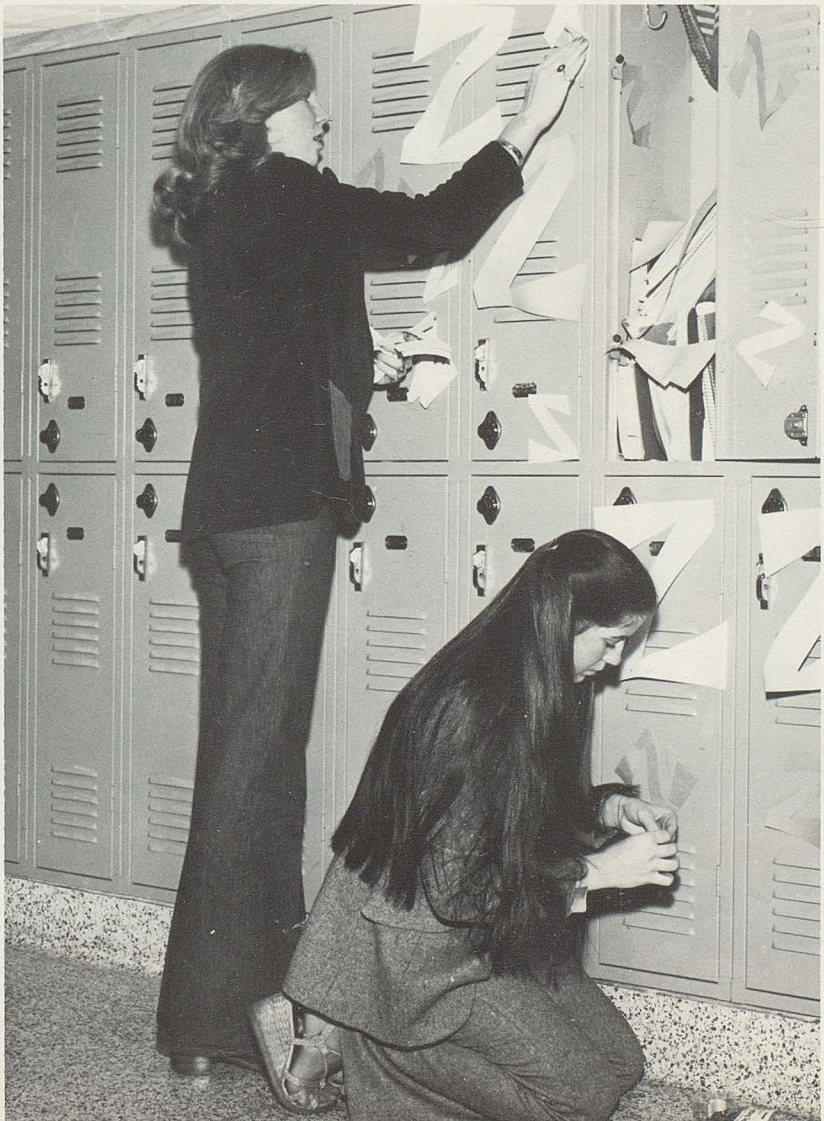

Every first and third Wednesday of each month, the girls brought snacks for the teachers' lounge. Every second Wednesday, Z-Club members visited Louisiana Nursing Home. During Christmas members decorated the school foyer and made and sold stockings filled with candy. Z-Club members sold tickets to and helped serve at the annual Poorman's Supper. The year's main project was raising money for the National Kidney Foundation. Faculty advisors, Miss Georgia Lee and Miss Marie Rinaudo, made sure the girls met the high standards set by the Z-Club.

Interact Club Receives Award

The Captain Shreve Interact Club, a service club for sophomore, junior, and senior boys, embarked upon many projects during 1977-78.

During the fall, Interact, along with many other service clubs, participated in Operation Clean Sweep, a highly successful effort to clean up Shreveport. In cooperation with the Z-Club, Interact members helped give the Brook Street Halloween party. They also gathered toys and canned goods for Sister Margaret. Interact members also participated in the service club volleyball tournament held to raise money for the Kidney Foundation. One of the high points of the year was receiving an award from the Salvation Army for collecting more money than any other club or organization participating in the drive. Under the direction of a new faculty sponsor, Mr. Dominic Salinas, Interact Club members had a most enjoyable and worthwhile year.

Key Club Is Appreciated

The Key Club, under the guidance of Mr. Jack Bogan, provided many services to the school and community this year. The members presented a skit in a pep rally and also showed spirit by creating a papier-mache gator for the homecoming game. The club members enthusiastically helped Sister Margaret deliver toys and food to needy families during the holiday season. The Key Club also proved helpful by contributing their time to giving a Christmas party to the residents of the Northwest Louisiana Training School. The members received a special satisfaction by helping people who are less privileged than themselves. The Key Club showed another example of Shreve's fine service clubs again this year.

Leo Club Stays Active

The Leo Club at Captain Shreve provided service and aid to the community, as well as the school. Sponsored by the Lions Club, members of this coed service club participated in many projects during the year. Once a month, members swept the CS parking lots clean of trash and other debris. Leo clubbers held a canned food drive for the needy and also sold candy to financially aid the Holy Angels School for special children. During the winter, a Heart Fund Drive was held to raise money and a mini-convention was attended. Guided by Mrs. Gaye Gannon, faculty advisor, club members attended a state convention in the spring and traveled to Leesville to visit the Crippled Children's Home.

All Shreve's a Stage . . .

The purpose of the Captain Shreve Drama Club is to encourage participation in theatrical productions and to give a better understanding of the world of drama.

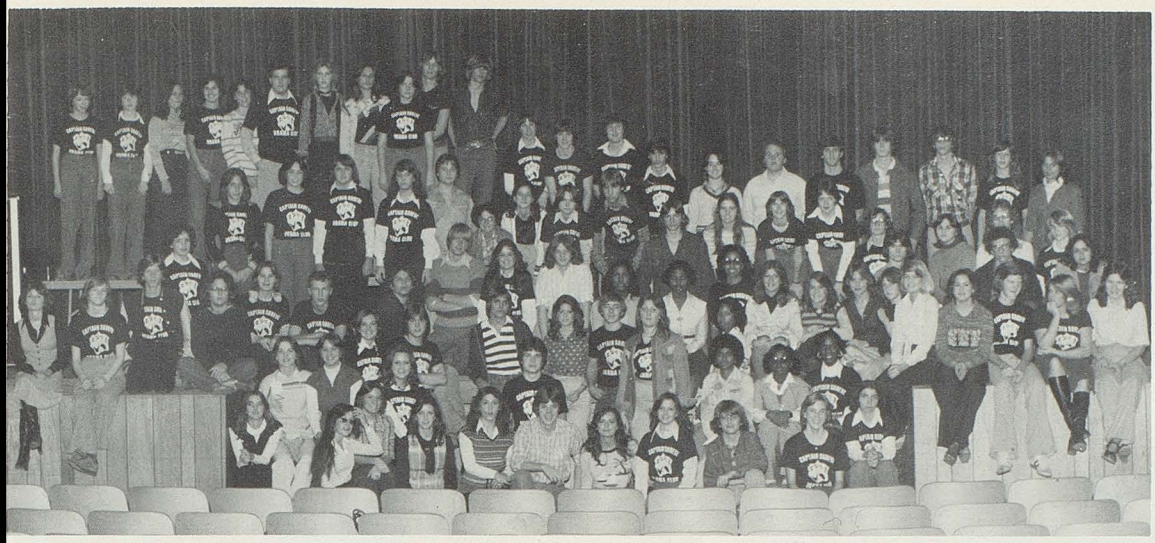

Under the direction of Miss Maleda McKellar, the Drama Club presented two major plays during the 1977-78 school year. The fall production, "David and Lisa," was a drama involving adolescents in an institution for the emotionally disturbed. In the spring, the club presented a musical comedy, "How to Succeed in Business Without Really Trying."

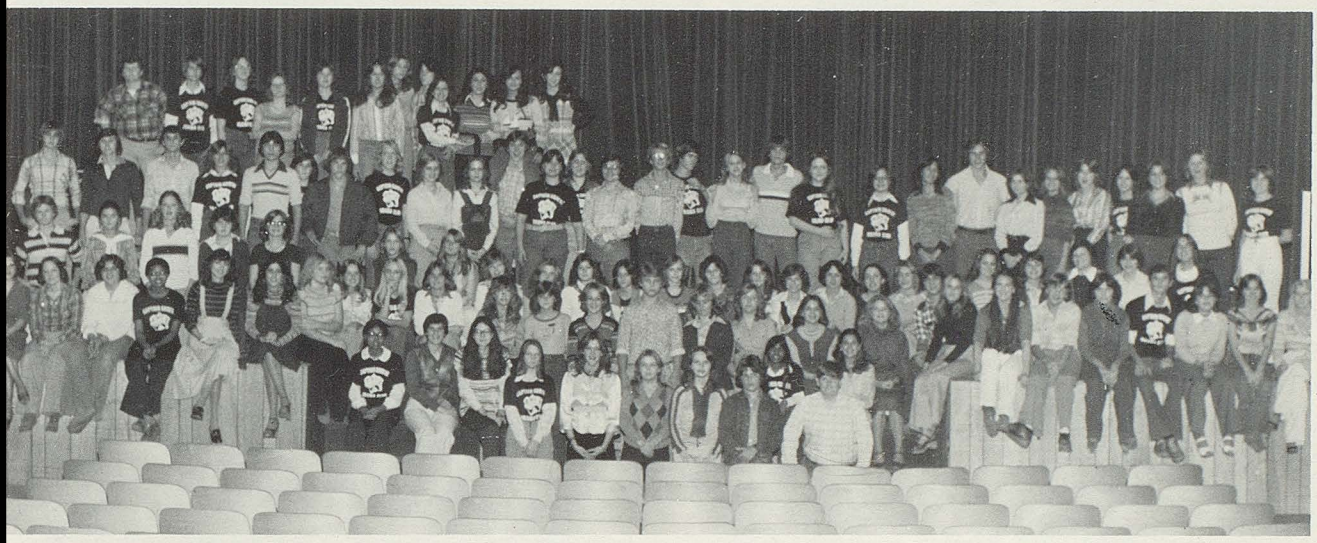

Special activities included participation in state speech tournaments, hosting a tournament, and the annual spring Drama Club banquets and awards presentation.

French Club Promotes Spirit

This year the French Club at Captain Shreve, guided by Mrs. Louie Chalfant and Mrs. Carol Hicks, participated in many school activities. The officers and sponsors promoted an interest in French customs and traditions. Club members became better acquainted with the French culture through various club activities. In the fall, a doughnut sale was held in the mornings to raise money. Baskets of food were collected and distributed to help needy families for Thanksgiving. The French Club closed the year with their annual banquet, at which members recollected past activities.

Spanish Club Shines in Competition

The Spanish Club at Captain Shreve attempted to acquaint its members with various aspects of Spanish and Latin American culture. Each member must have acquired a credit in Spanish I or enrolled in Spanish I, II, III, or IV this year. For their November meeting they ate at Pancho's Restaurant. Spanish Club participated in Student Council's banner contest during Spirit Week and won second place. Spanish Club had a Christmas Party at which they had Mexican and Spanish food and decorations and adopted many Spanish Christmas customs. They also participated in the foreign language olympics in the spring.

Latin Club Has Much to Offer

Mrs. Sheri Yerger, sponsor of the Latin Club this year, felt the purpose of the club was to offer an opportunity for fellowship, while providing a basis for a better understanding of the Latin language, history, and culture. Fellowship among Latin clubbers was provided through the club's many activities. These included the Inter-language Club Olympics and the Junior Classical League Convention, where club members competed with Latin students from throughout the state in translations, vocabulary, and oratory. Members also sold Gator glasses as a money-raising project. During Homecoming Week, the club sold corsages and boutonnieres as another fund raising project. The year closed with the annual Latin Club banquet.

German Club More Than Pretzels and Beer

During the 1977-78 school year, the Captain Shreve German Club enabled its members to increase their knowledge of the German people, language, and customs.

Projects and activities included guest speakers and trips to foreign language festivals. Throughout the year, the German Club had seasonal parties such as the Oktoberfest, Weihnachten, and Fasching which correspond to German festivals. One of the club's special projects was having exchange parties with German clubs from Byrd High School and Woodlawn High School. Under the direction of Mrs. Ruth Page, (known to members as Frau Page), the school year of 1977-78 was a very fruitful and fun year for the German Club.

Debate Team Competes

Sponsored by Mr. Jack Bogan, the Captain Shreve Debate Team traveled throughout Louisiana during the 1977-1978 school year and participated in various high school and college tournaments.

In addition to participating in the numerous tournaments, the team remained active by devoting many hours to such projects as the Captain Shreve Debate Tournament and the Captain Shreve talent show, SHOWBOAT.

The teams hard work and effort paid off in trophies, plaques, and other awards.

4-H Club: To Make the Best Better

Keeping in mind the motto "To Make The Best Better" 4-H Club members completed many monthly community projects. Through these projects members strived to better the community and develop their own individual talents. The purpose of the 4-H Club is to provide knowledge and skills for carrying on work of the home, farm and community and to enable members to pursue their talents in this area. Under the direction of Mrs. L. B. Mitchell members excelled both mentally and socially. The secret to the club's success was each member's enthusiasm to acquire more knowledge in possible future occupations.

Black Studies Gains Knowledge

The Black Studies Association attempted to foster black awareness at Captain Shreve during the 1977-78 school year.

Through the guidance of Mr. White, Mrs. Leviston, and Mrs. Green, the club sponsored such activities as Black History Week. The club also sold candy, attended church services, and contributed to both the Needy Family Drive and the Sickle Cell Anemia Drive.

Established during the 1972-73 school year, the club's membership now stands at fifty.

Science Club Stimulates Interest

One of the principal purposes of the Science Club of Captain Shreve was to stimulate the interest of its members in such science-related fields as biology, chemistry, and physics.

Sponsored by Mr. Branim, the members were encouraged to explore the world of science outside the classroom. At club meetings they saw films and slides that aided them in their interest and understanding of the world of science. Through the use of scientific method, equipment, and research the students gained a clear understanding of the inner nature of science.

Junior ROTC Develops Leadership

Junior Reserve Officer's Training Corps added another dimension to the high school students education by developing qualities that are assets in any career.

One hundred and eighty Captain Shreve students enrolled in the Junior ROTC curriculum which provided instructions in organization, staff functions, administration, courtesy, psychology of leadership, leader-manager problem areas, communications, first aid and hygiene, and military history. By applying themselves, the Cadets learned to become the leaders of tomorrow.

Cadet Corps Rated in Top Twenty Percent

The Captain Shreve High School Cadet Corps was rated in the top twenty percent of Cadet Corps in the nation, and was awarded the Honor Unit with Distinction Award of the Department of the Army in Washington, D.C. The Cadet Corps was examined by Federal Evaluators in the spring, who examined cadets in military procedure, marching, survival, tactics, and discipline.

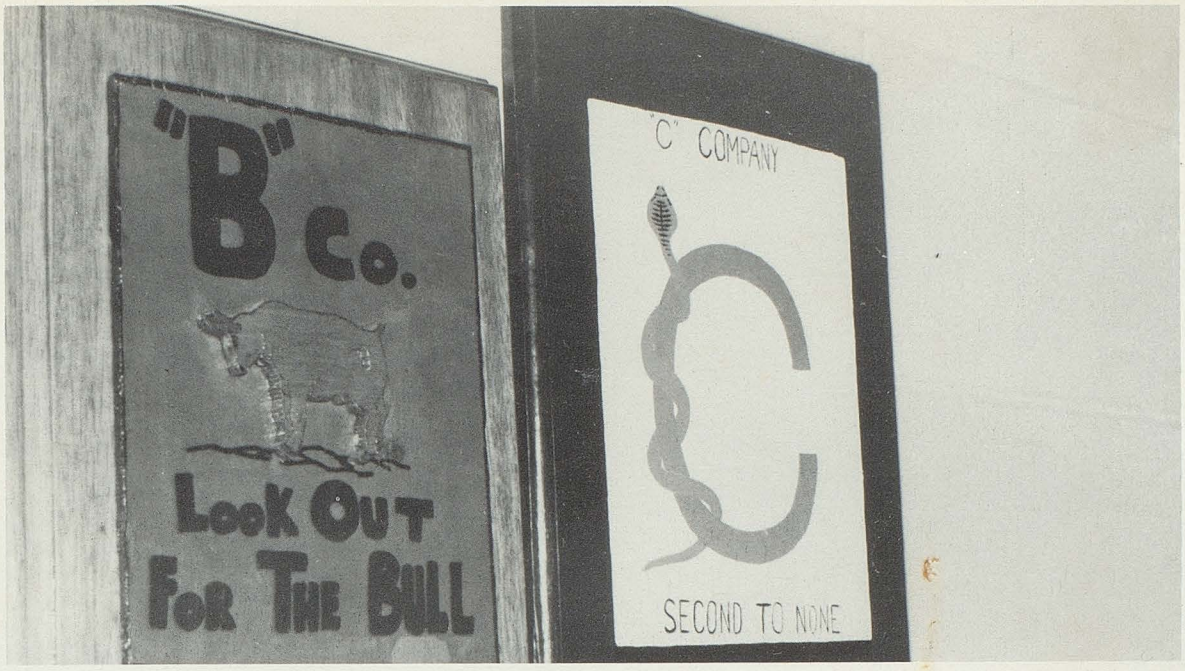

Command Sergeant Major Henry J. Chiasson, the Senior Army Instructor, helped mold the future leader and managers by training students in areas to improve the students' leadership, morale, proficiency, discipline, and espirit-de-corps. Cadets who showed leadership qualities were moved into command positions where these qualities could be best improved. Cadets were also instructed in military procedure, proper teaching techniques, first-aid, map reading, survival, and military custom.

Varsity Rifle Teams Recognized

The Captain Shreve High School JROTC Varsity Rifle Teams were recognized nationally for their shooting ability and for their reputation. They earned many honors for Captain Shreve at city, regional, and national competitions.

The teams are affiliated with the National Rifle Association as a Junior NRA Club to promote marksmanship as a competitive sport and a hobby.

Sergeant Major Henry J. Chiasson, a certified NRA marksman instructor, is the coach. The team members spent many hours training with him for various competition.

ROTC Has Successful Year

The Captain Shreve Gator Drill Teams, the spit and polish organization of Junior ROTC, were a precision marching unit. Cadets gave their own time to perfect their formations and marching maneuvers so that they could perform in competition successfully. The teams received many honors competing in city, regional, and other competitions. The teams also performed at many festivals at area schools.

The commander of the Gator Girl's Drill Team was Bessie White. Jay Hamm commanded the Gator Boy's Drill Team. Commander of the Rifle Firing Squad was Risa Morris. Sergeant Major Murry Huffman sponsored both of the Drill Teams.

Special Forces Club Learns Survival Techniques

The Special Forces Unit specialized in guerilla warfare and tactics, orienteering, land navigation, and survival training. Sergeant First Class William Freeman sponsored the special survival in both wilderness and warfare, map reading, and tactical maneuvers in the field.

The unit was also Explorer Post 94, and in the spring of 1977 participated in the annual Scout-A-Rama. Post 94 conducted a compass course, and received a Proficiency Ribbon for their efforts. The club also received the National Unit Award, given only to well organized programs for young people.

History Club Travels to New Orleans

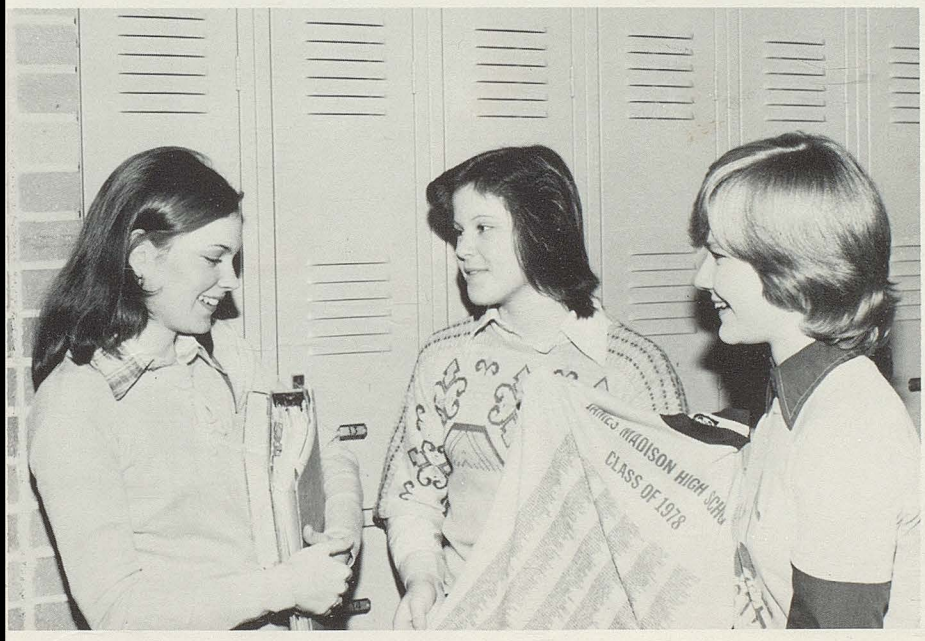

The purpose of the Captain Shreve History Club was to provide students for a greater appreciation for past historical events. Both sponsors of the club, Mrs. Eleanor Cameron and Mrs. Hazel Martin, put forth a lot of effort to broaden the students interest and knowledge. Ideas shared at monthly meeting produced various group activities. Club members promoted school spirit by selling T-Shirts. Each T-Shirt had the names of all graduating seniors of '78. These T-Shirts helped to fund a planned field trip. In the spring, students traveled to New Orleans to view various historical sights. Members also proved an asset to the school as they wrote a pamplet for the incoming freshmen and sophomores depicting the history of Captain Shreve and explaining the purpose and membership requirements for the clubs at CS.

Computer Club Sharpens Math Skills

The Computer Club of Captain Shreve was established for the indepth study of the function, use, and programming of computers. Members started the year off by using an Olivetti-Underwood Programma 101, nicknamed 'the beast.' After mastering the beast, the club took on the school board's IBM 370, which used the FORTRAN-4 language. Under the guidance of Mr. Sellers, the club's sponsor, members wrote programs to find the roots of polynomials using Newton's approximation method, to find derivatives of polynomials and to solve other mathematical problems. Club members, along with Mr. Sellers, helped other students at Captain Shreve with the use of calculators.

Membership requirements were that the student must be enrolled in Advanced Math and Computer Programming.

Art Club is Re-Established

After several years of not having an art club, interested students re-established the Captain Shreve Audubon Art Club during the 1977-1978 school year. Mrs. Hazel Harris sponsored the club and worked with its members to achieve a greater appreciation for art.

The clubs main objective was for each member to gain experience in working in different mediums and to serve the school on special projects. The club put up the bulletin boards in the front office, designed and constructed the stand for the Homecoming Court to sit during the Homecoming football game, and made ceramic gators. The club financed their ventures by selling candy.

FBLA Members Gain Experience

The FBLA is a national youth organization for students in business education. The purpose of the FBLA is to develop competent, aggressive business leadership. It also helps create more interest and understanding in making an intelligent choice of business occupations.

Under the leadership of faculty advisors Mrs. Dorothy Flanagan and Mrs. Lena Leviston, members participated in projects such as keeping a scrapbook, going on field trips, selling candy and various other fund-raising projects. Through these activities, members learned the importance of helping the school as well as the community.

DECA Offers Opportunities

DECA is designed to develop interest in the career world. This national youth organization gives students a better understanding of the way business and education compliment each other. DECA students attended classes half of the day and then went to work at their respective jobs. They gained first-hand experience through jobs which prepared them for future vocations they may enter after completing their education.

In the spring, club members sponsored an annual Employers Appreciation Banquet. Through the guidance of Mrs. Jan Otwell, DECA members were able to gain an understanding of the responsibilities of maintaining a job.

Orchestra Develops Individual Talents

This year, the Captain Shreve High School Orchestra offered interested Students an excellent opportunity to develop their skills in individual as well as group talents and to gain experience in the field of music. Greater experience was gained as they played for several schools in the Shreveport area. Several of the Orchestra members were selected to participate in the All-State Convention in November.

In order for each member to develop their talents, all students were required to have a sincere appreciation and a deep understanding of classical music.

The Orchestra was directed by Mrs. Parker.

TOP LEFT: The club members are — Artis Willis, Bob McDowell, Karen Moss, Deborah Holland, and Meg Williams. **ABOVE: Orchestra members are — (Front row)** Mrs. Parker, Jeri Kelleth, Gwen Arthur, Leah Gentry, Lisa Berckerdite, John Corneilus, Meg Williams, and Jill Bennett. **(Second row)** Steve Price, Bonita Casey, Deborah Holland, Bill Scott, Alon Winston, Johnny Miles, Karen Moss, Grace Henderson, Artis Willis, Marion Birmingham.

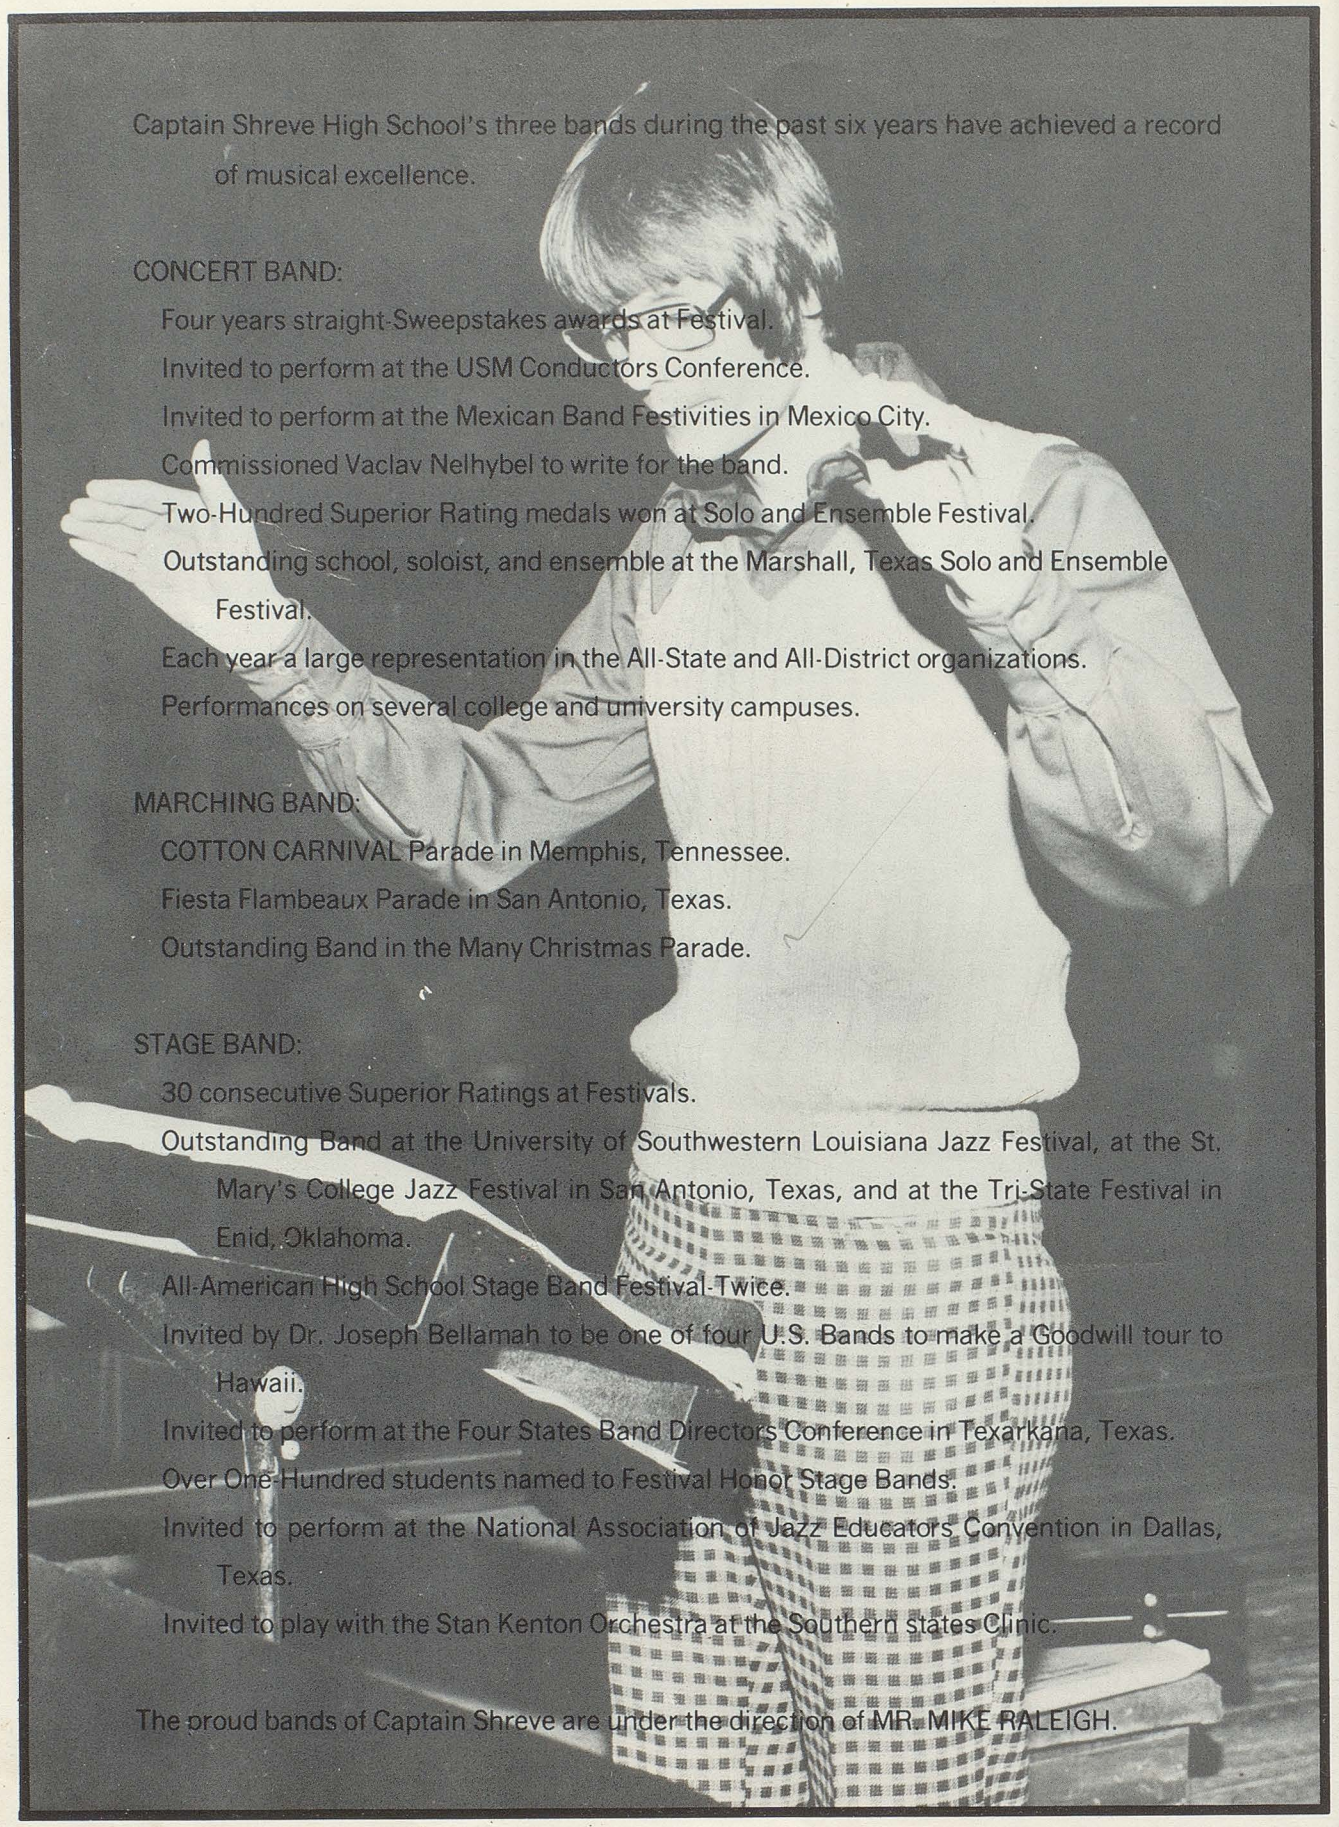

Choir Club: "We Believe in Music"

Under the direction of Mrs. Hattie Wade, members of the concert choir formed the Captain Shreve Choir with this purpose in mind: To lift up spirits and touch the soul through unity and a song. Through the motto "We Believe In Music," members held a number of concerts at elementary and junior high schools. They entertained senior citizens by singing at nursing homes. They held an operatic performance for the city and participated in the Sickle Cell Anemia drive. The club also held a talent-variety show and a "Gong Show." The members accomplished these activities successfully because they believed "If a song cannot send you higher, then it's not good enough to sing; What good is a song if it has no message to bring?"

Ad Staff Is to Shreve's Advantage

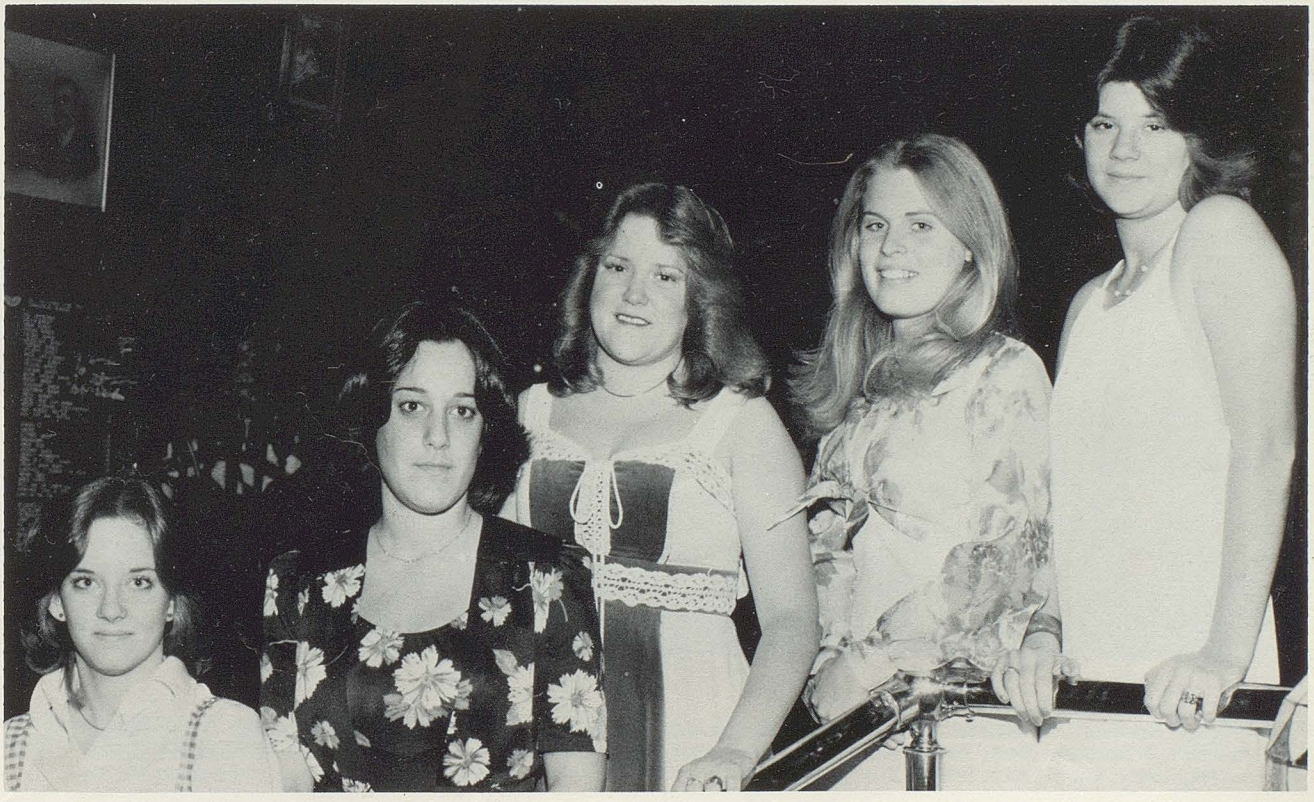

The football ad staff of 1977-78 proved to be advantageous to Shreve by producing a great program again this year as well as providing helpful community advertising and valuable player information. The booklet also served as a memento of football games. Working all summer with businesses to obtain over $4,000 worth of advertising, the staffers did a hard job by starting early. The eleven girls under the direction of Mrs. Horne provided six programs for home games, a beautiful homecoming supplement, and an extra play-off program. In addition, the staffers planned the spring football banquet held in February. This is an annual event for the players, their dates, and the coaching staff. The banquet provided an appropriate end for all concerned with the season.

Enterprise Covers All CS Events

The Captain Shreve High School Enterprise consisted of students who were interested in news, sports, and special features that were published in their unique newspaper. The staff members wrote all articles in an interesting and factual way by using their journalistic abilities. Pictures and feature articles were enjoyed by all students and editorials revealed some of the many problems present at Captain Shreve. A special edition entitled **Coach** was printed in November to honor Coach Lee Hedges. This edition was about the coaches, football players, and spirit that was portrayed by the students and fans during the 1977 football season. Sponsored by Mrs. Gaye Gannon, the staff was able to form many ways of communicating to the students.

Log Staff Gathers Memories

Beginning in the summer and continuing throughout the school year, the Log Staff spent many hours planning, designing, and producing the 1978 yearbook. The members worked diligently selling ads, planning pages, writing copy, taking and cropping pictures, and then compiling all this into layouts. Under the guidance of Mrs. Dorothy Flanagan, the yearbook staff spent each school day working on some phase of yearbook production.

The staff attended the USL yearbook camp sponsored by Taylor Publishing Company in June of 1977. Many trophies were won by the members for their outstanding work and, once again, the yearbook received a superior rating for its creativity and quality. Each staffer benefited from the knowledge shared by the members that attended this workshop.

HONORS

Cinde Hodges — David King

Mr. and Miss Captain Shreve

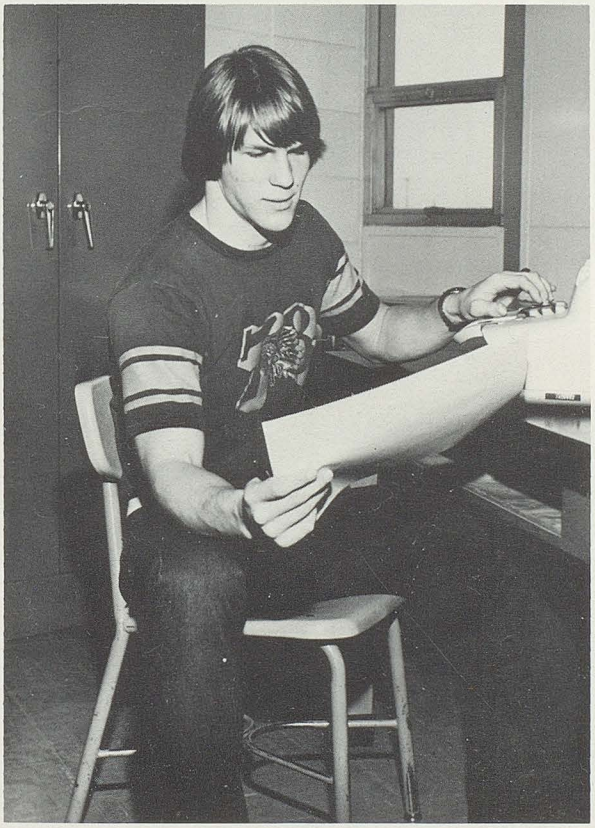

KAREN DOWNS and MARK MAGNER

Log Staff Presents Mr. and Miss CS

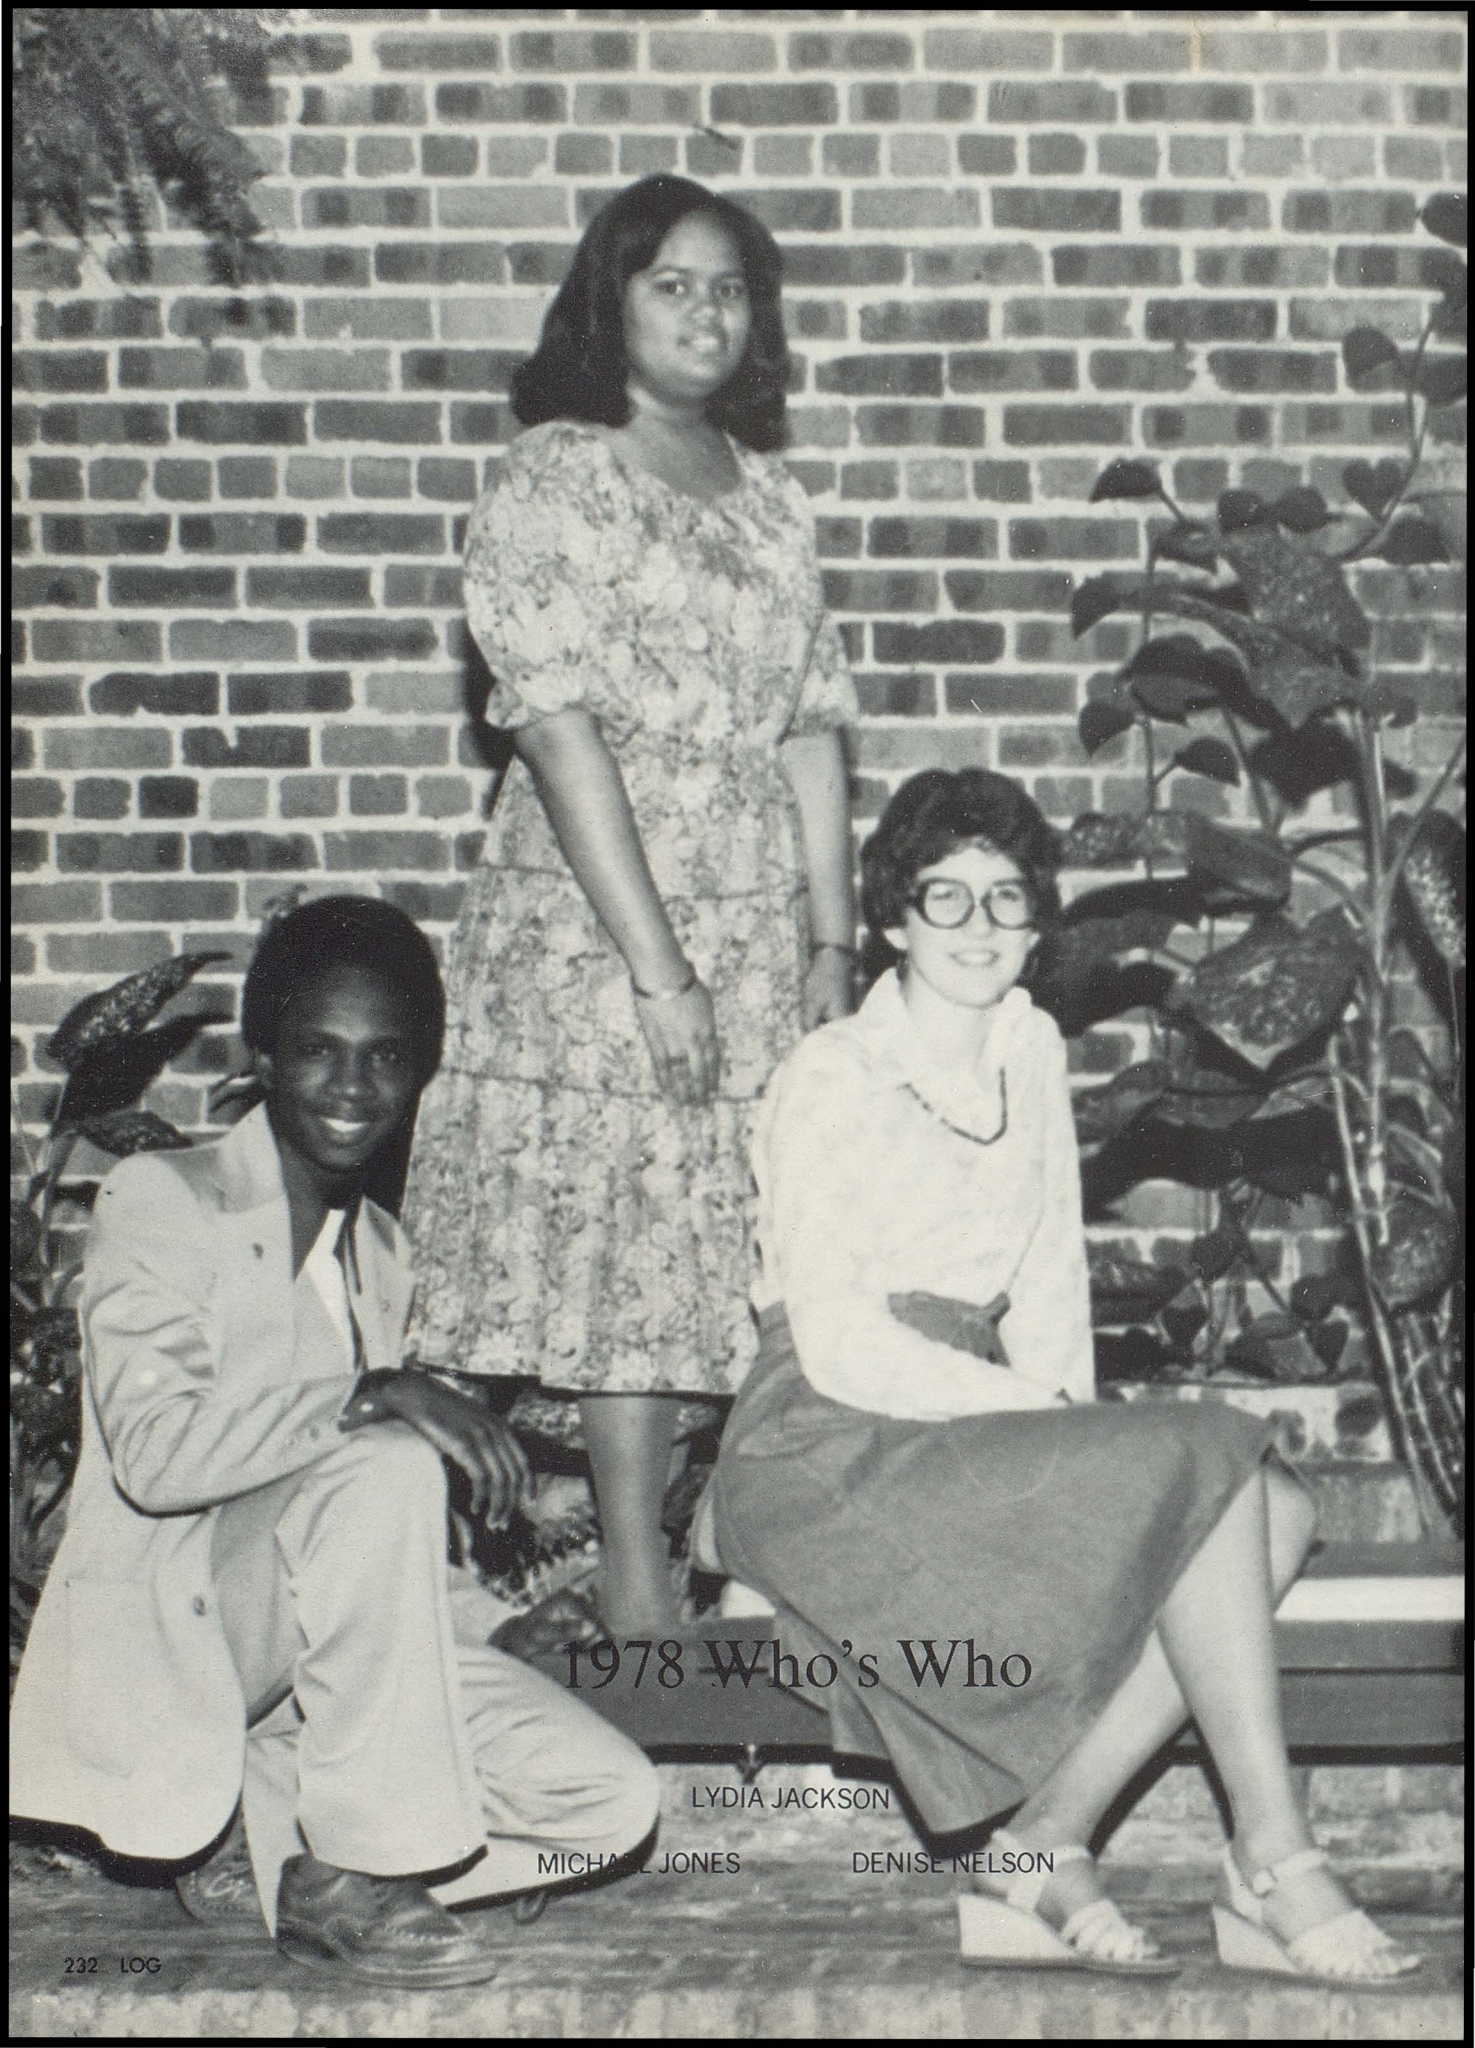

This year the 1978 LOG Staff took great pleasure in presenting Mr. and Miss Captain Shreve, Mr. Mark Magner and Miss Karen Downs. This honorable title was given to these students because of their high academic achievements, outstanding leadership, and participation in many school activities. This has been true throughout their years at Captain Shreve.

Karen Downs served as Corresponding Secretary of the Student Council in her Junior year and Vice-President as a senior. She was not only a Girls' State Delegate, but also was in the NHS, Pep Squad, and Secretary of Astra Club. Mark Magner was very active in sports such as football, baseball, and track. He was a Boys' State Delegate, served as treasurer for NHS, and was active in the German, Interact, and Computer Clubs. Mark was a National Merit Semi-Finalist, Challenger Award Winner, Who's Who, and was nominated to the Air Force Academy.

Faculty Selects Who's Who

The six students who were chosen this year for Who's Who were Lydia Jackson, Michael Jones, Mark Magner, Yolanda Moore, Denise Nelson, and David Sklar. These students were chosen by the faculty of Captain Shreve on the basis of their scholarship, leadership, good character, and service.

Lydia Jackson was on the yearbook staff, member of Quill and Scroll, and NHS, was a Student Council Senator and National Achievement Semi-Finalist. Michael Jones, served as Student Council President in his senior year, was a member of the National Honor Society, and Thespian Society. Mark Magner, who was very active in football, baseball, and track, was on the NHS, in Interact and Computer Club, won the Challenger Award, and was a Boys' State Delegate. Yolanda Moore was a cheerleader, in the NHS and FBLA, and was a Girls' State Delegate. Denise Nelson, was elected Vice-President of the National Honor Society, President of Computer Club, and was a National Merit Semi-Finalist. David Sklar, a member of the Debate team, is also on the NHS, and was a National Merit Semi-Finalist.

NHS Inducts New Members

The National Honor Society, sponsored by Miss Dessie Adger and Miss Marie Rinaudo, is an organization established to honor students with high academic achievement, and with both leadership and service qualities. In selecting new members the National Honor Society examines the prospective members' overall grade point average, participation in school sponsored clubs and activities, citizenship, and integrity. The Juniors and Seniors selected to become members of this honorary organization were expected to maintain a 3.0 grade point average for each nine weeks in order to remain a member.

In the spring, the junior members ushered at the graduation and baccalaureate exercises.

Pelican State Delegates Are Chosen

In August of 1977 eight girls and seven boys were selected by the faculty to attend Pelican State which was held at L.S.U. in Baton Rouge. This convention, consisting of many Louisiana high schools, gave the students an opportunity to learn and participate in politics and government. After hearing several city, parish, and state official speakers the delegates were given the opportunity to run for various offices.

Those students chosen to attend Pelican State and the offices that they held are: **GIRLS' STATE** — Melinda Black, House of Representatives; Brenda Brock, city clerk; Becky Cook, parish school board member; Karen Downs, city council; Reba Harris, Sheriff and Baylor of Court; Denise Nelson, Senator; Mimi O'Neal, Senator, floor leader of Senate, party parish chairman; Yolanda Moore, President of School Board; **BOYS' STATE** — Brian Caskey, House of Representatives, outstanding member of the Boys' State Band; John Kincade, House of Representatives; Billy Kirkikis, Senator; Randy Maffett, House of Representatives; Mark Magner, outstanding citizen in the city; Jeff Rassmussen, outstanding House of Representatives; Ben Whittington, city council.

Thespians Take Their Acting Seriously

The International Thespian Society was an honorary organization to recognize the outstanding drama achievements accomplished by high school students. In order to become eligible for membership in this society, a student had to have at least one hundred work hours on drama productions. These hours could be obtained by working in such theatrical areas as acting, lighting, costumes, props, and hospitality.

The 1977 Homecoming Queen and court were presented at halftime during the Natchitoches Central football game. Escorted by their fathers, the court walked under the sabre arch formed by the R.O.T.C. and took their places before the crown formed by the Pep Squad. As the Captain Shreve band played the traditional homecoming music, Mr. Stanley Powell crowned Monica Ford as the Gators Homecoming Queen.

Senior Maids were Renee Blanchard, Brenda Brock, Nancy Davis, Mimi O'Neal, Carla Simpson. Danette Faour, Sally Sweeney, and Peggy Waddell represented the Junior Class. Sophomore maids were Jacquelyn Carter and Donna Turnham. Sophia Mandrapilias was the Freshman maid.

Gators Take District

1977 was an outstanding year for the Captain Shreve Gator varsity football team. Despite getting off to a slow start in non-district play, the Gators took their district winning all six games. A highlight of the season was the Minden game as Coach Hedges won his 155th career game making him the winningest coach in Shreveport-Bossier's history.

A perfect district record earned the Gators the District 2-AAAA championship and a trip to the state playoffs. The Gators had won seven straight going into the playoffs but mistakes hurt the Gators in the first round giving the Woodlawn Knights the victory and ending Captain Shreve's otherwise successful season.

Gators Lose in Close Opener

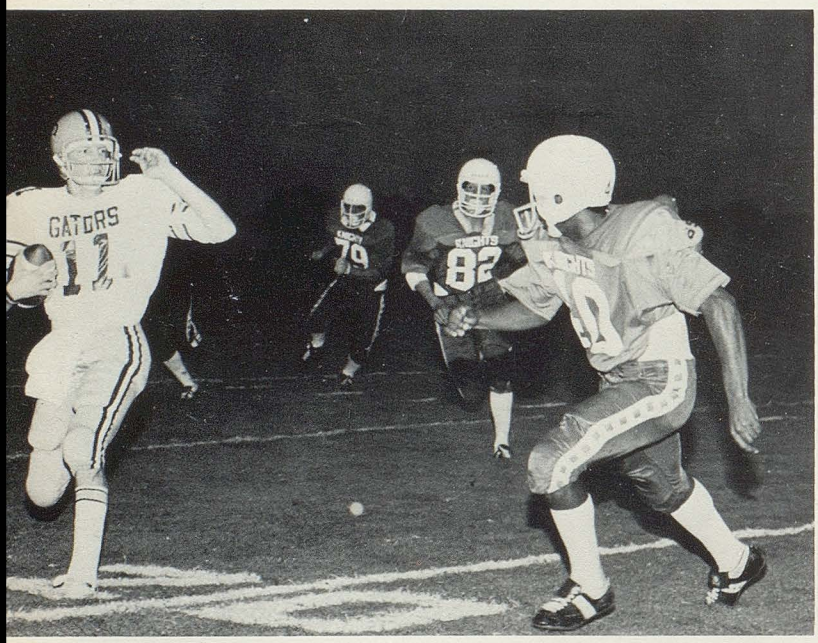

Captain Shreve 19
Woodlawn 21

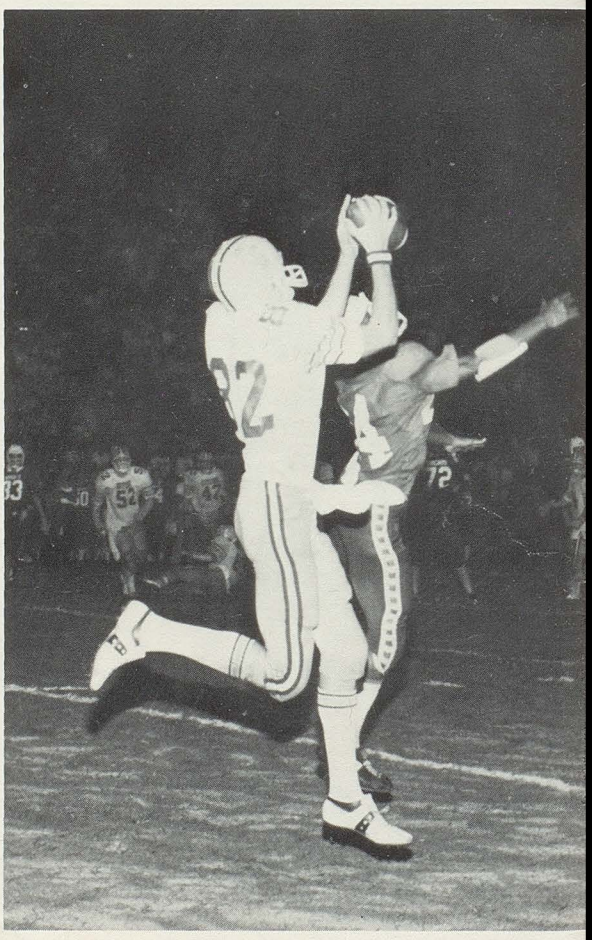

The Captain Shreve Gators dropped their first game of the season to the Woodlawn Knights, but the game was just as close as the 21-19 final score indicated.

The Gators' first touchdown came on one of many spectacular plays for both the Gators and the Knights. It was a 71 yard Trey Smith to Jessie Goines TD pass that gave the Gators their early 7-0 first quarter lead. The Knights then struck back with two dazzling touchdown passes of their own to take a 14-7 halftime lead.

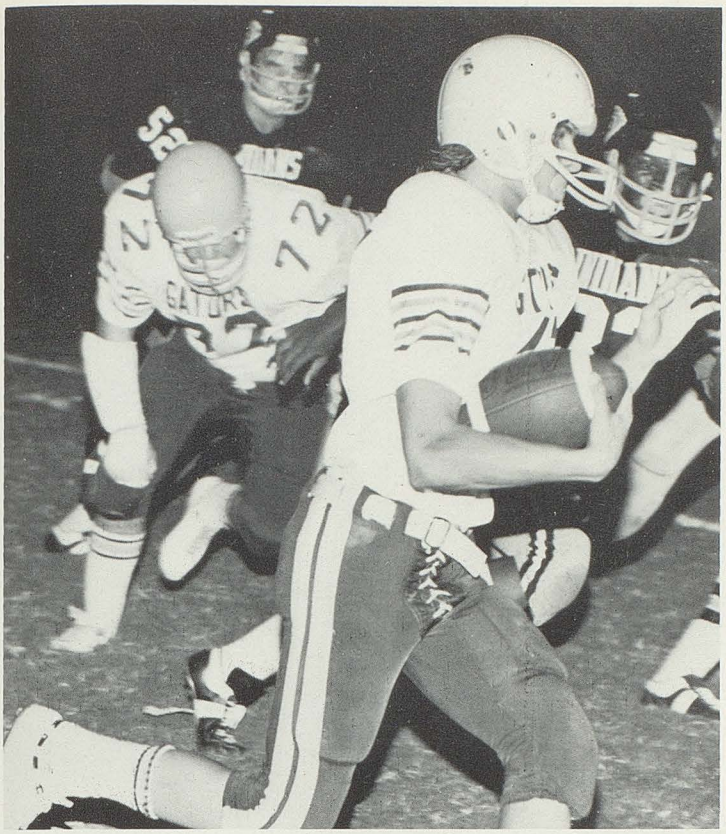

Each team scored touchdowns in the third; however, Shreve, missing a very costly PAT, left them trailing 21-13. The Gators scored another TD in the fourth, but the two point conversion attempt failed.

Captain Shreve Storms Past Fair Park

Captain Shreve	21
Fair Park	6

After a disappointing loss to the Woodlawn Knights, the Gators stormed back to a 21-6 victory over the Fair Park Indians. Captain Shreve came out fighting, rolling up two first-quarter touchdowns one of which was a beautiful halfback pass from Charlie Williams to Jessie Goines who raced the remaining 69 yards for the TD.

The Gator defense continued to deny the Indians a touchdown. The Indians did, however, finally reach the endzone late in the fourth quarter, but by that time the Gator offense had added seven points to their fourteen point lead. The Fair Park PAT failed giving the Gators a 21-6 victory.

ABOVE LEFT: Lawrence Kahlden stampedes through Indian defense. **BOTTOM:** Charlie Williams makes a break for open field.

Gators Fall in Second Half

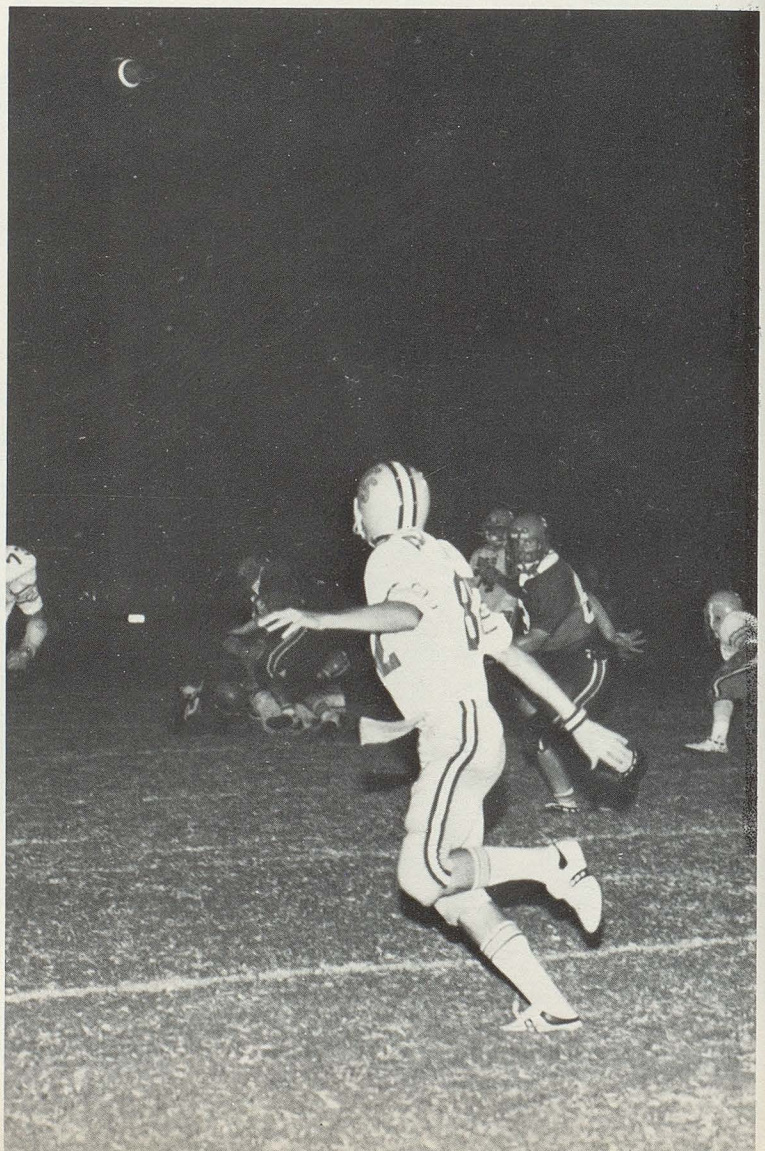

Captain Shreve	7
Southwood	26

The Captain Shreve Gators started strongly in the first half against the Southwood Cowboys. The Gators took an early 7-0 lead over the Cowboys on a 55-yard run by speedster Jessie Goines; however, these six and the PAT added by Scott Martin proved to be all the points the Gators could get.

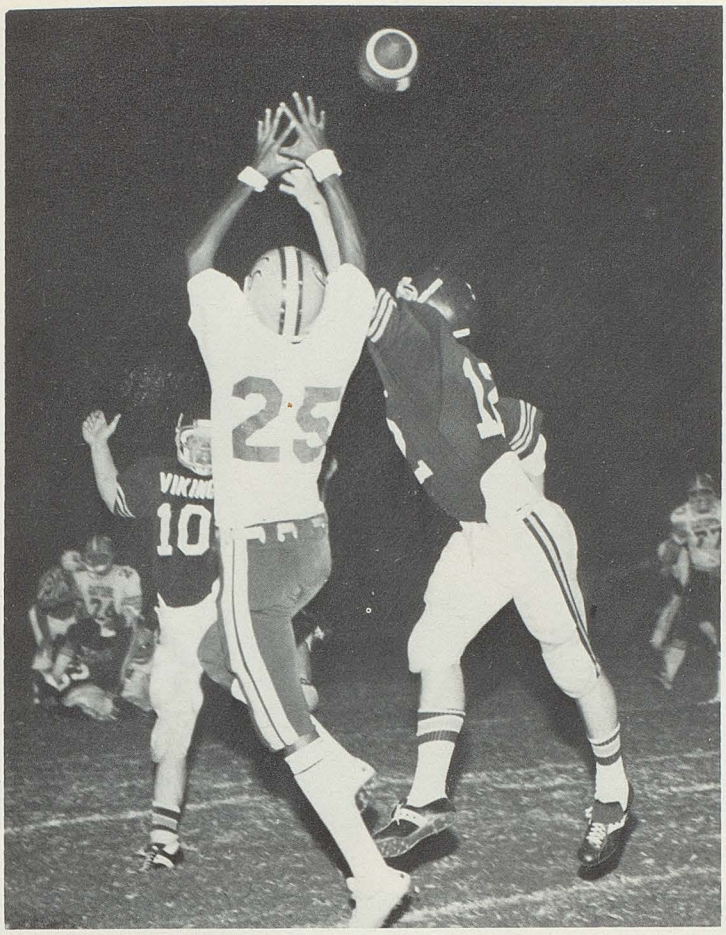

Shortly after the Gators scored their only points of the night, the Cowboys added seven of their own, leaving the half-time score knotted at 7-7. The second half proved fatal for Captain Shreve as Southwood added seven more points in the third quarter, and twelve more in the fourth. The 26-7 loss was a disappointing one for the Gators but was the turning point of the season.

Inspired Gators Crush Vikings

Captain Shreve 34
Airline 0

After an inspiring Gator team meeting following the loss to Southwood, the Captain Shreve Gators were determined to turn their season around. The Airline game was the beginning of this turn-about.

Both the Gators' defense and offense played to perfection. The Captain Shreve offense rolled up 34 points, 220 yards rushing and 126 yards passing. The Gators' offense was having its best game of the season but so was its defense. They held the Vikings scoreless, while allowing them only three first downs. The big 34-0 victory was just what the Captain Shreve Gators needed to start off their district schedule.

Gators Make Giant Slaying Tradition

Captain Shreve 44
Green Oaks 6

The Gators confidently entered their district confrontation with the Green Oaks Giants after the Airline Vikings. Green Oaks is traditionally one of Captain Shreve's easiest opponents and the Gators once again succeeded in slaughtering the Giants.

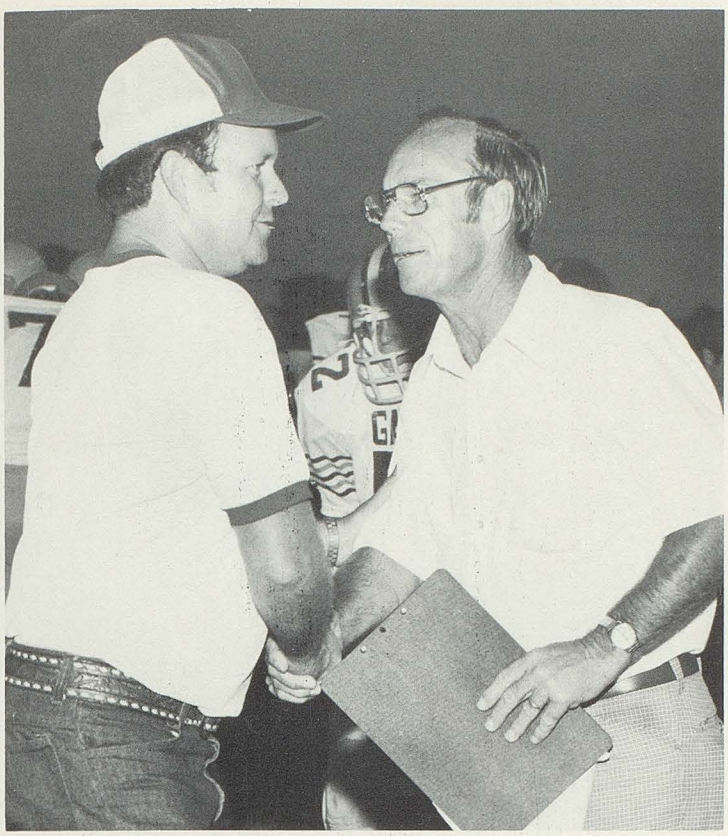

By halftime the Gators had already slipped through the Giant defense for three touchdowns, one of which was a 61-yard Trey Smith pass to Jessie Goines. Captain Shreve again had an outstanding game allowing the Giants only one TD. The Gators put 23 more points on the board in the second half giving them a convincing 44-6 victory.

Gators Make Coach Hedges Number One

Captain Shreve 14
Minden 0

The Captain Shreve Gators spoiled the Minden Crimson Tide's homecoming by defeating them 14-0. The game, however, also had sentimental value for the visiting Gators. It was Coach Lee Hedges' 155 victory a mark which no coach in Shreveport Bossier's history had reached.

The victory which gave Coach Hedges this honor was not an easy one. It was a hard-fought-defensive battle with the Gator defense coming out on top. They held the Tide to only 143 total yards as well as shutting them out. Despite a good Minden defense, Captain Shreve's Charlie Williams was able to score TD's in the first and fourth quarters on runs of 4 and 12 yards respectively.

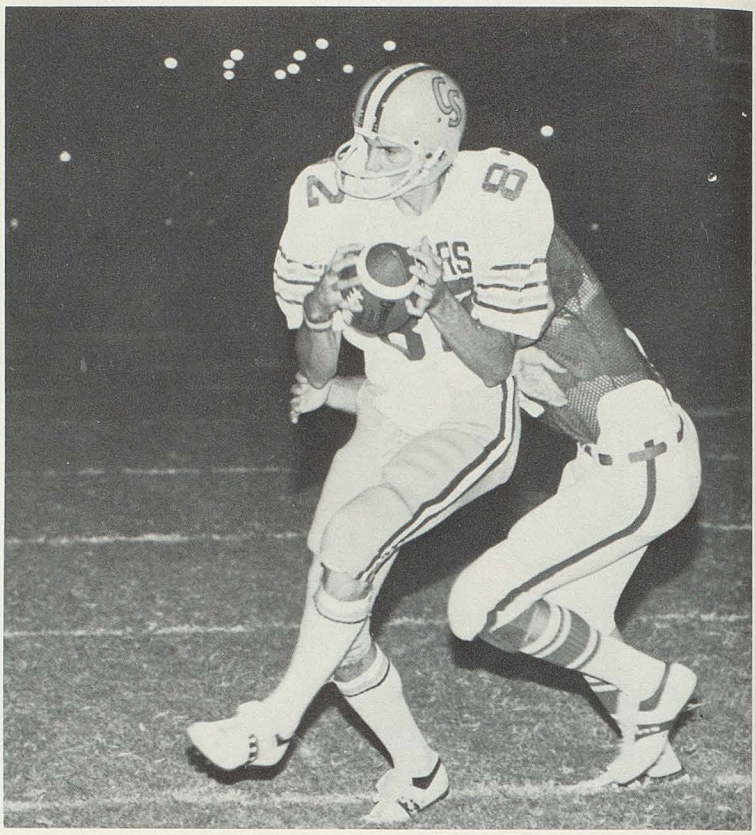

ABOVE LEFT: Coach Hedges is congratulated on his 155 victory as well as his many other accomplishments. **BOTTOM:** The Gator defense continually haunted Minden quarterback James Britt.

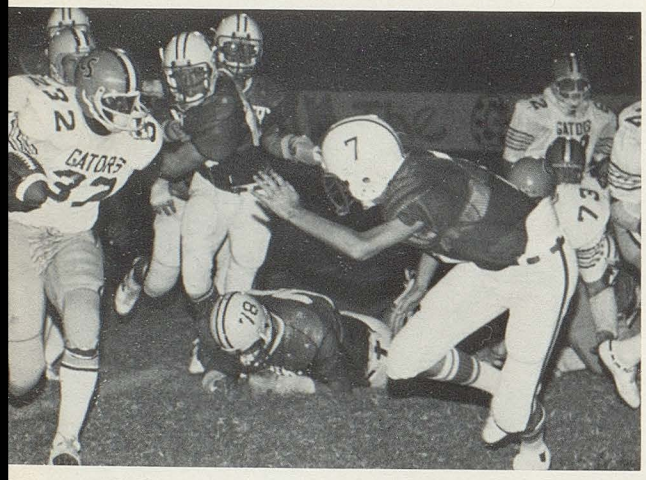

Captain Shreve Clinches Playoff Spot

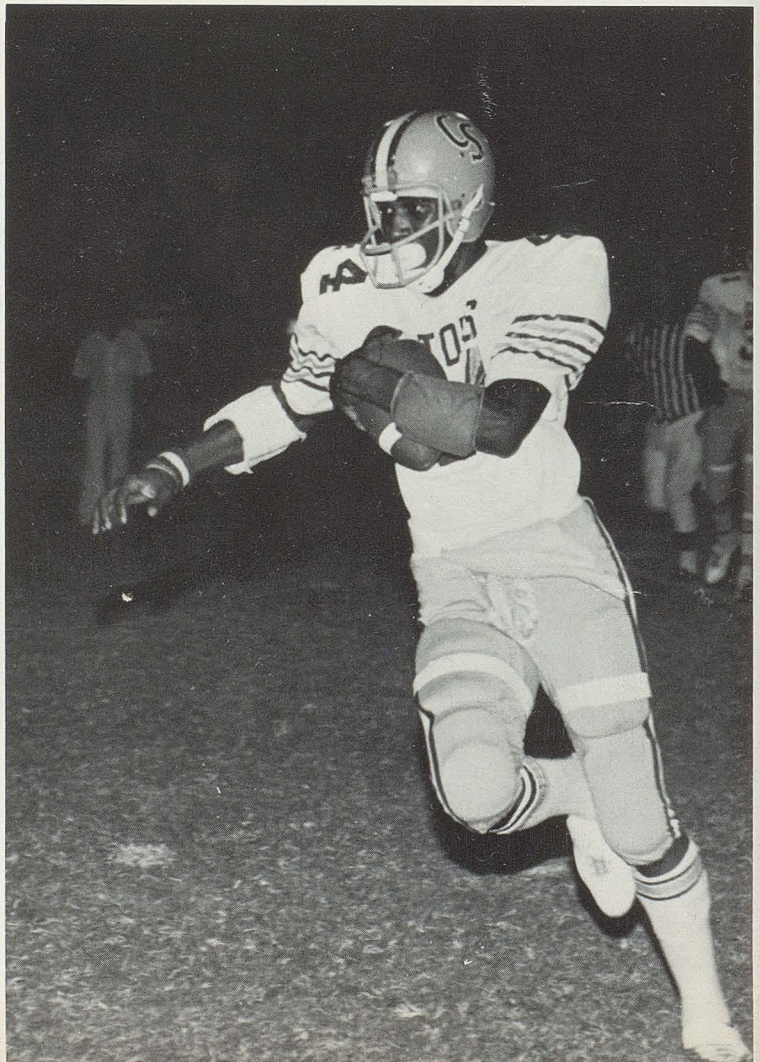

Captain Shreve	27
Parkway	15

The Captain Shreve Gators went into their game with the Parkway Panthers undefeated in district play. The 27-15 victory gave the Gators a perfect 4-0 district record, clinching them a spot in the state playoffs. The Panthers took an early first quarter 7-0 lead, but the Gators quickly got seven points of their own. Carlton Jacobs added two more Gator TD's in the second quarter to help lead the Gators to a 21-7 halftime lead.

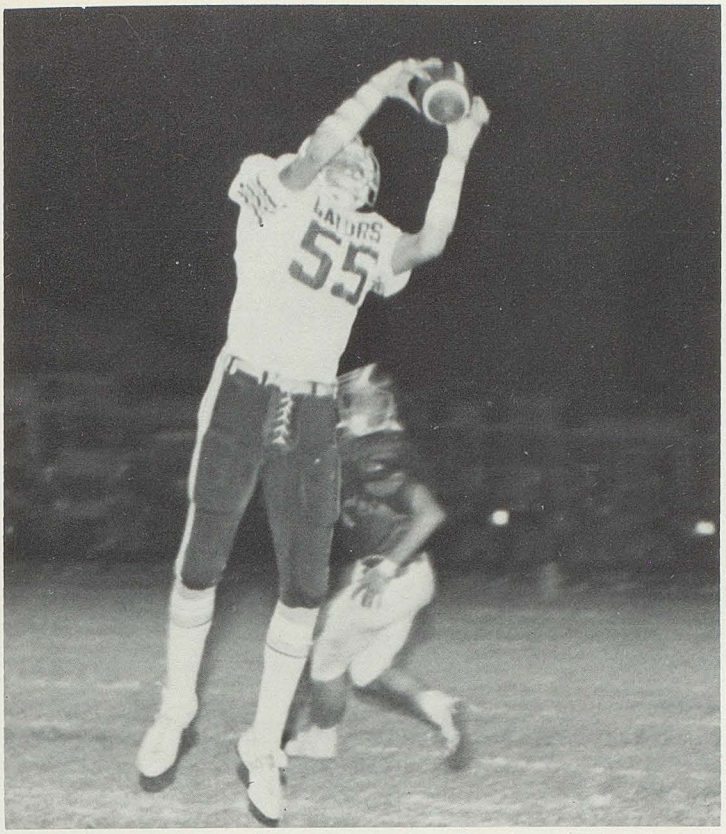

Neither team scored in the third quarter; however, an 18-yard pass from Lane Baliff to Malcolm Davis in the fourth gave the Gators their final score of 27. The Panthers were able to get 8 more points, but that was not enough, and the Gators continued to dominate District 2 Quad A.

Williams Leader in Gator Victory

Captain Shreve 28
Natchitoches 12

Captain Shreve went into its tenth homecoming with hopes of clinching the district title and that they did. The Chiefs' defense was unable to stop the Gators' rushing attack, especially runningback Charlie Williams. Charlie rambled for 123 yards on 18 carries and scored all four of the Gators' touchdowns.

The defense held Natchitoches scoreless throughout the first three quarters. In the fourth they did, however, allow the Chiefs to score twice; but the two Natchitoches TD's proved to be too little too late as the Gators rolled to a district championship.

Shreve Wins at Memorial

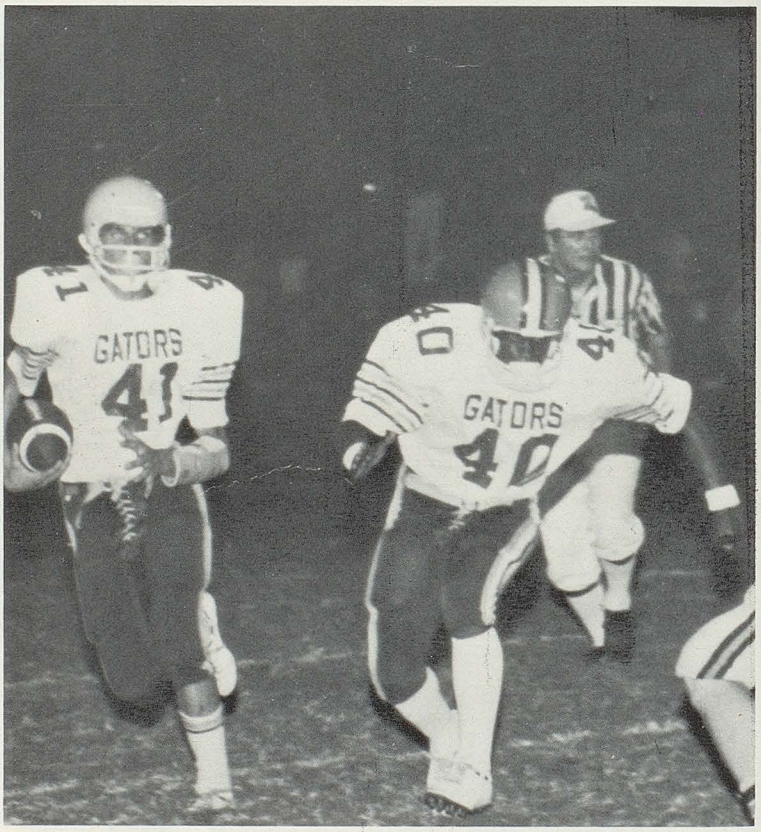

Captain Shreve 12
Bossier 7

For the third straight year the Captain Shreve Gators traveled to Bossier's Memorial Stadium to play the Bossier Bearkats. It also looked for a while like the Gators would fall to the Bearkats for the third straight year. The Kats went into the game with a record of 1-8, but they played like they were playing the Gators, as they often do, for the district championship.

The inspired Bossier team took a 7-0 halftime lead; however, the Gators were determined to keep their district record unmarred and after another half of struggle, they had succeeded. Charlie Williams came through with two TD's while the defense held Bossier to a scoreless second half giving the Gators a 12-7 victory.

Gators Close Season With Victory

Captain Shreve 18
De Ridder 3

Captain Shreve traveled south to De Ridder to close out their regular season against the De Ridder Dragons. An 18-3 victory for the Gators made the return trip to Shreveport a happy one.

The Dragons scored their field goal early to take a 3-0 lead, but a short while later Gator quarterback Lane Bailiff hit Shreve's big play man Jessie Goines for a 53 yard TD. This was not to be, however Jessie's only big play of the night because later he had a 25-yard run and a 64-yard punt return. All three PAT's were missed, although they were not needed as De Ridder was held scoreless after their original 27 yard field goal. This left the Gators with their seventh straight victory and an 8-2 record.

Gators Fall in Defensive Battle

Captain Shreve 14
Woodlawn 21

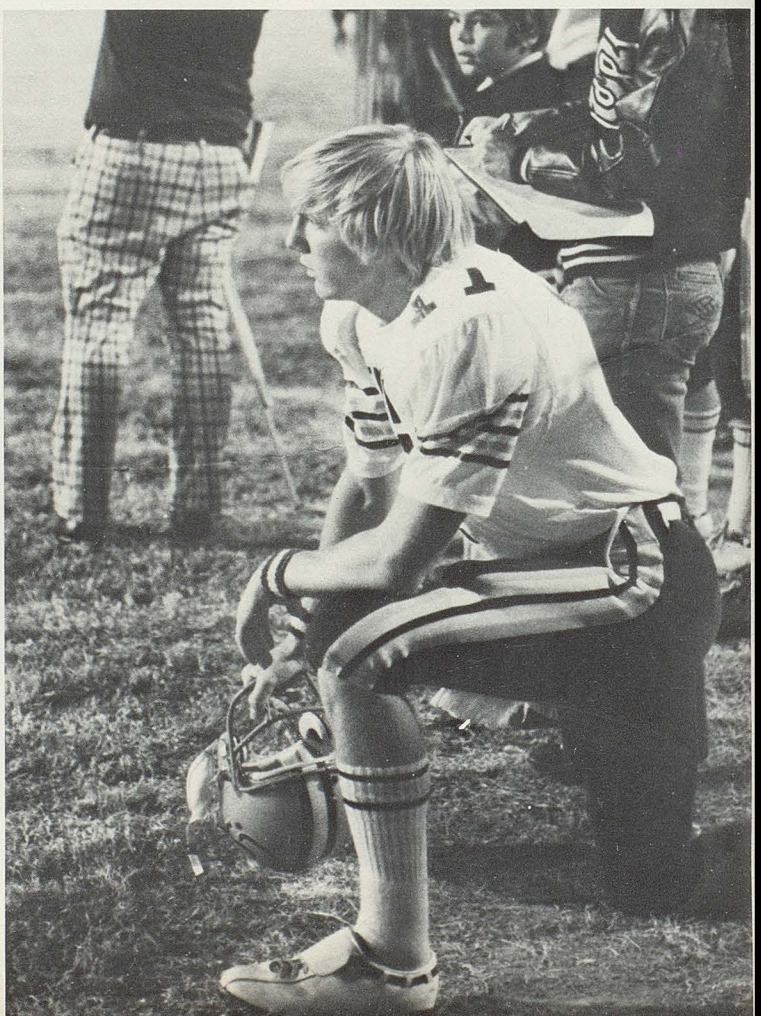

The Captain Shreve Gators, ranked number one in District 2-AAAA, met District 1-AAAA's second place contender, the Woodlawn Knights, in a first round playoff bout. In the defensive battle that followed, Captain Shreve was defeated by Woodlawn, 21-14.

The Gators offense, still without starting quarterback Trey Smith, was held scoreless. Woodlawn's offense was also well contained as they were only able to score once.

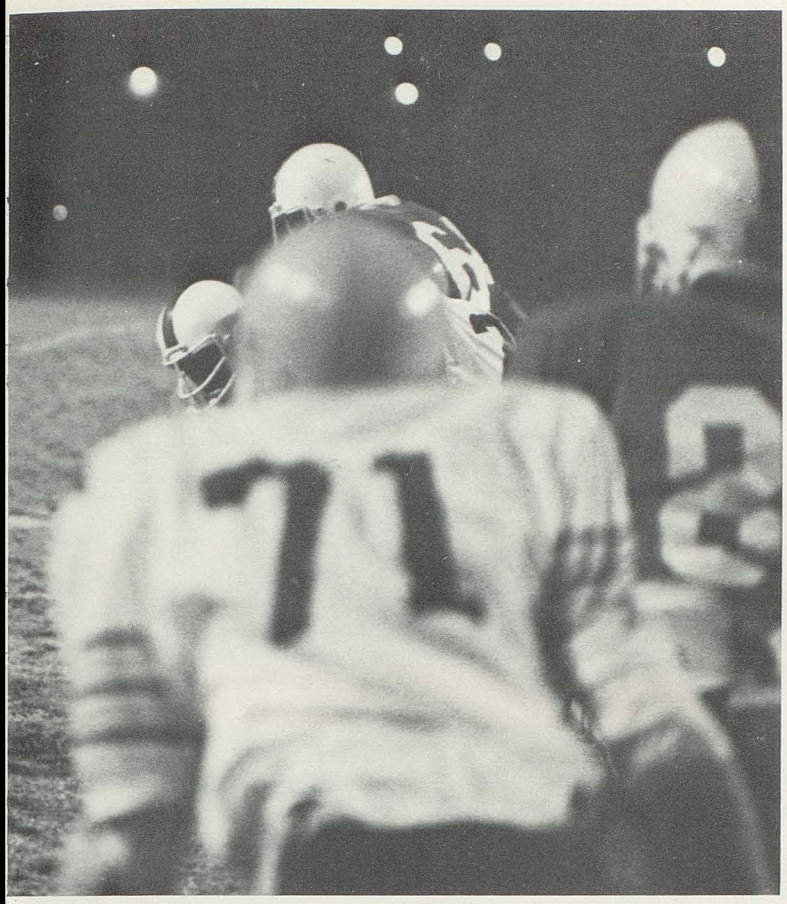

The remaining four TD's were scored by the defenses, Woodlawn's both coming on fumble returns from within the Gators 20. Captain Shreve's TD's were on a 70 yard combination punt return and lateral, and an 84 yard interception return. The two Gator fumbles cost Captain Shreve the game and a chance to advance in the playoffs.

JV Is Victorious in Short Season

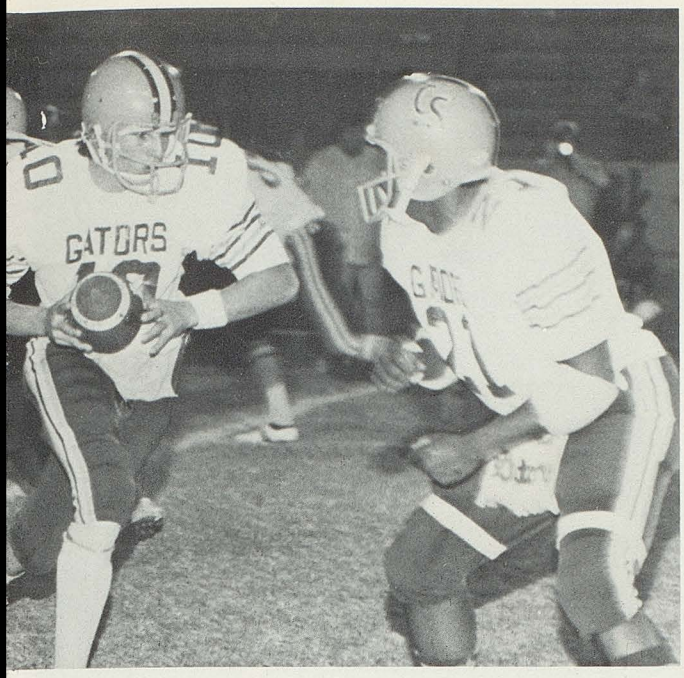

The Captain Shreve Junior Varsity football team played an abbreviated schedule in 1977. The young Gators were scheduled for nine games; however, four were canceled. The JV defense was overpowering as they allowed only three TD's all year. The offense also was very good, rolling up 78 points in the season. They were, however, shut out by Airline in mid-season.

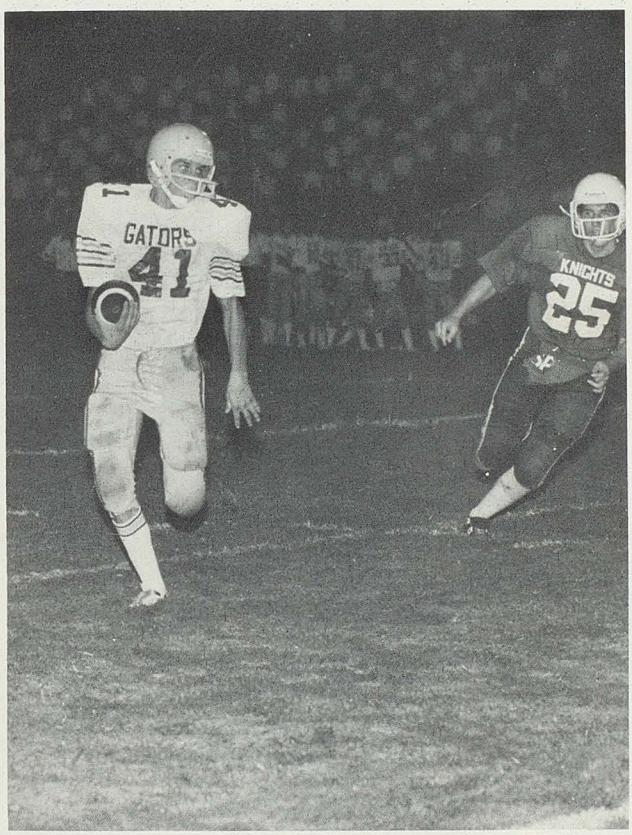

The Airline loss was the only loss for the JV Gators but it was a close 6-0 battle. Captain Shreve easily defeated its other four opponents: Woodlawn, Bossier, Fair Park and Parkway, giving the Gators a 4-1 record.

Gators Place Third in District 2-AAAA

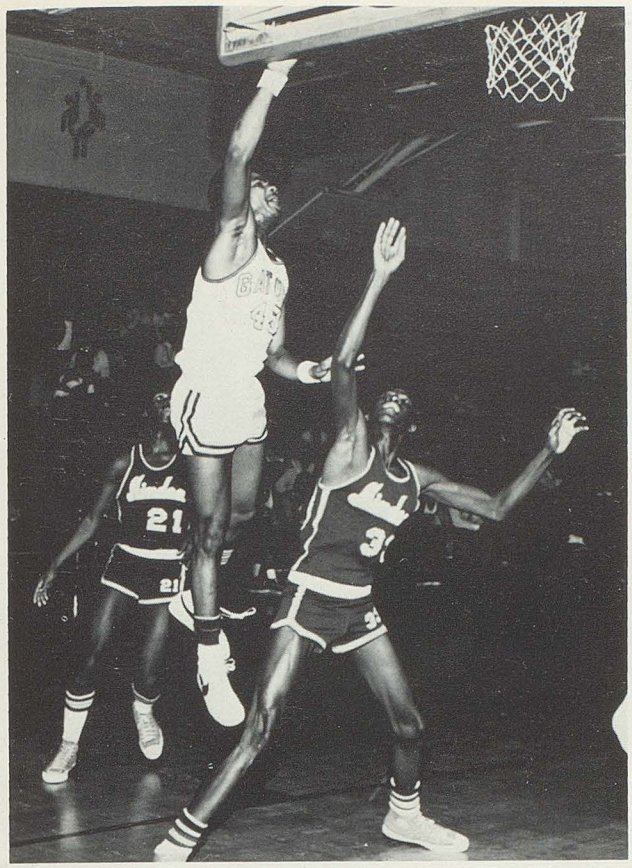

The Golden Gators got off to a slow start in the 1977-78 season, but bounced back in the latter half of the season to tie for second place in District 2-AAAA. To tie with Minden for second place, the Gators defeated the district champions, the Airline Vikings, by a score of 62-57 in the season's last game. Minden, however, defeated Shreve in the resulting runoff game, thus knocking the Gators to third place in district and denying the Gators a playoff berth. The 1977-78 season marked the fourth consecutive time that Shreve has not played in the state playoffs. The Gators, however, did give head coach David Boydstun his first winning season, taking 20 of 32 games. The Junior Varsity basketball team also had a good season and ended play with an outstanding 12-7-0 record.

1978 was the first year for girl's varsity basketball, and it was a good one. Although it was the first girl's varsity team at Shreve, most of the girls had been playing for school or church sponsored teams before, so the Gators were able to field an experienced team.

The Lady Gators came on strong in the early season and won nine consecutive games. The Gatorettes ended their season with an outstanding 17-6 record. All six of the girls' losses came in district play, leaving them with a 6-6 district record. Even though this 6-6 record was not good enough for the state playoffs, the Gatorettes had an excellent initial season.

Gators Have High Hopes

1977 was a disappointing year for the Captain Shreve Gator Baseball Team as the varsity closed out the season with a 6-9 record. However, hopes were much brighter for the 1978 season. Out of the eight lettermen returning for the 1978 team, seven of them were starters on the 1977 squad.

The returning lettermen for the 1978 season were first baseman Bubba Allen, shortstop Bobby Booras, outfielder Larry Collins, pitcher-outfielder Bill Costello, pitcher-infielder Donald Garrett, outfielder Billy Kirkikis, catcher-infielder Mark Magner, and pitcher-outfielder Trey Smith. With this experience, the Gators looked forward to a winning season.

Gators Tough in Tennis

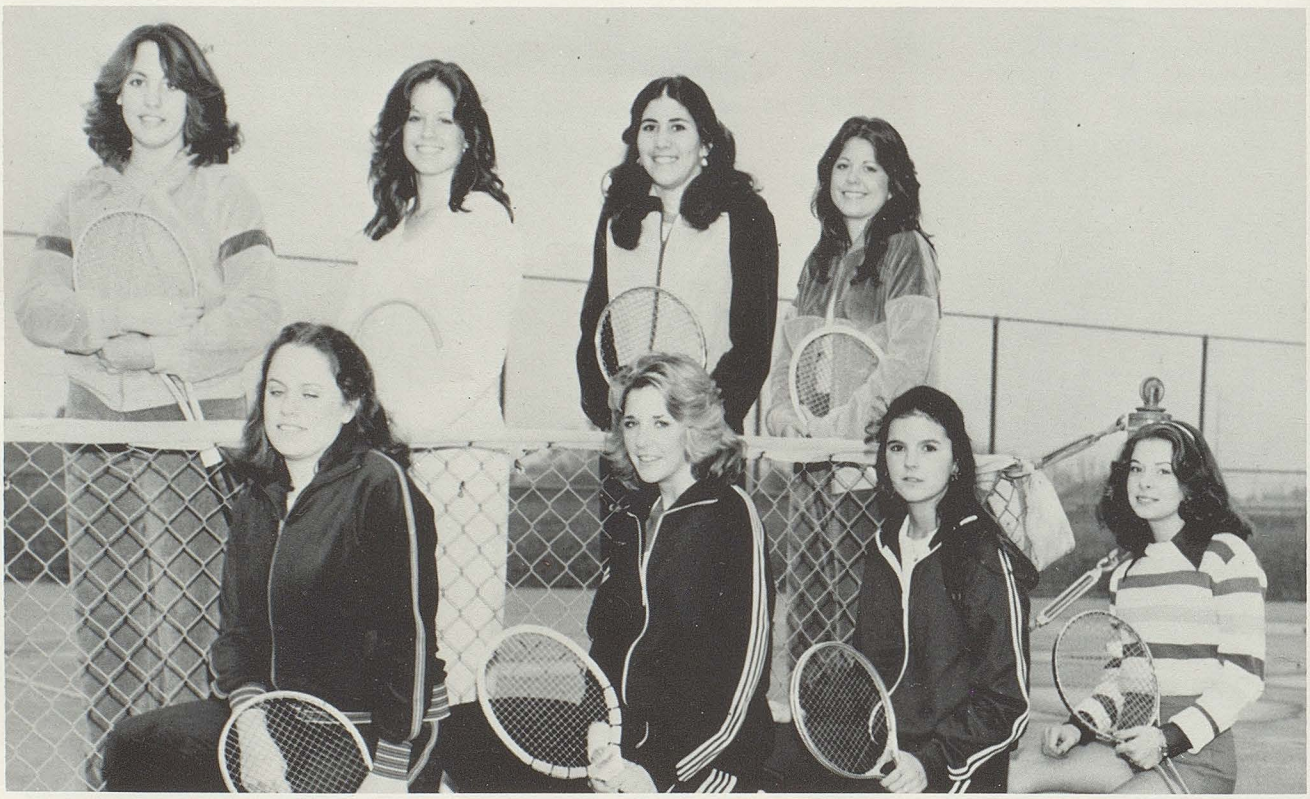

The Gator tennis team continued their winning tradition for the fifth year in a row without losing a dual match. The winning team completed the season with a 16-0 record. Both the boys and the girls swept the regional tennis tournament taking both overall titles in tennis play. Qualifying for the state tennis tournament the girls dominated their divisions winning the state title. The boys were not so lucky, however, they came in second overall in the state.

Returning lettermen for the boys are Luke Gilpin, Doug Hedges, Bill Ligon, Randy Maffett, and Lacy Williams. Returning lettermen for the girls are Lianne Berry, Carol Boston, Lauren Cotter, Lillian Galloway, SuSu Palmer, Harriet Prothro, Alison Quinn, and Lynn Warren. Gators' Track Team on the Way Up

The Captain Shreve track team showed plenty of potential in the 1977 season. Jessie Goins placed first in the Regional meet in the 100 yard dash with a time of 9.5 which is a state record. Although the team did not win any major titles, the Gators proved themselves to be major contenders on the field.

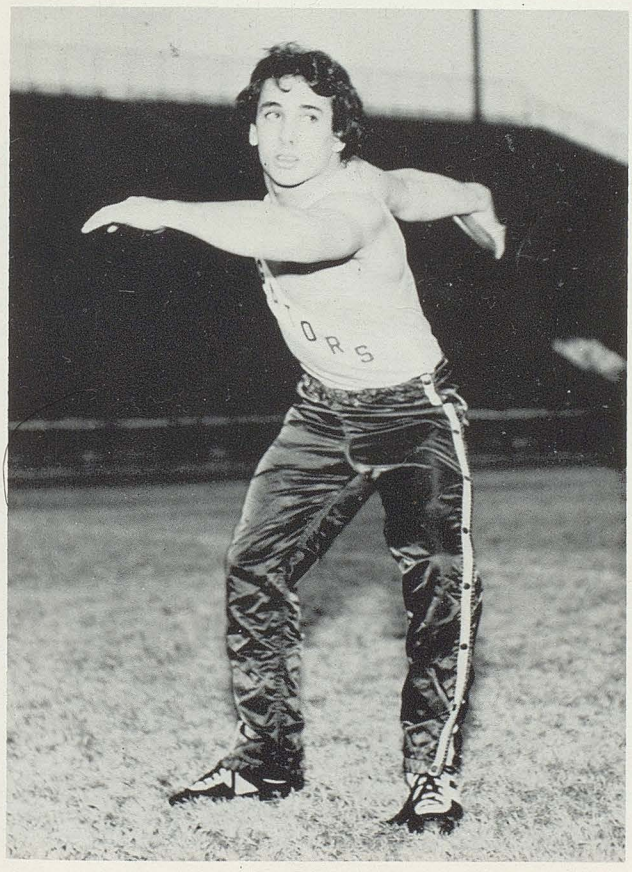

Returning lettermen for the 1978 season are — Ronald Brown, Victor Hart, Scott Pernici, Isaih Smith, Chris Harmon, Mark Magner, Lawrence Kahlden, Jessie Goins, Malcolm Davis, Stueart Hudsmith, Charles Herd, Willie Thomas, Herchial Wright, Dale Lasource, Eric Johnson, and Carlton Jacobs. The track team this year should be the team to watch out for.

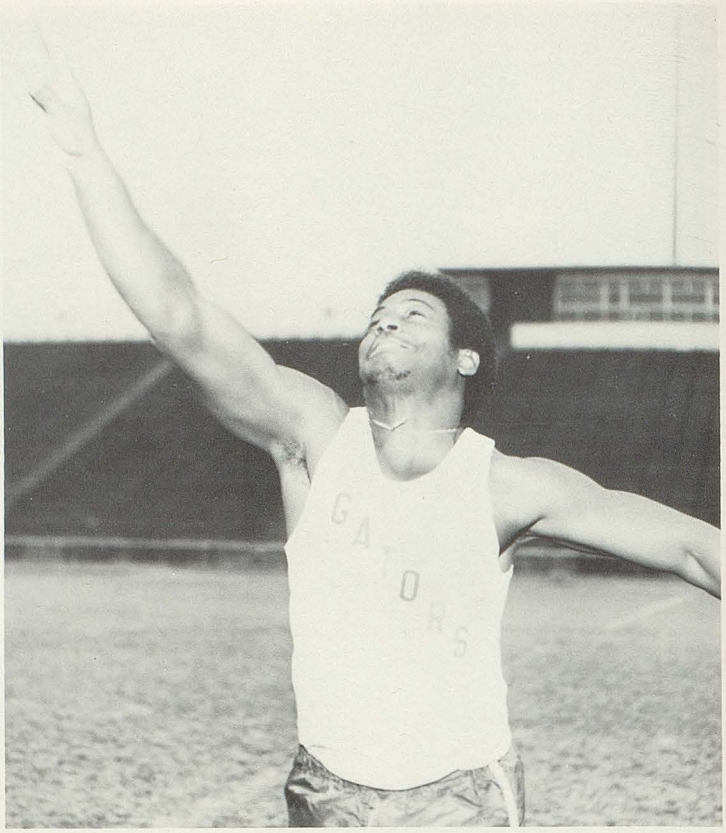

TOP: Mark Magner takes off. **BOTTOM: Team members are — (Standing)** Coach Reeves, Craig Tuggle, Charles Herd, Ronald Brown, Victor Hart, Lawrence Kahlden, and Coach Burnom. **(Bottom row)** Mark Magner, Scott Pernici, Stueart Hudsmith, Chris Harmon, and Isaih Smith.

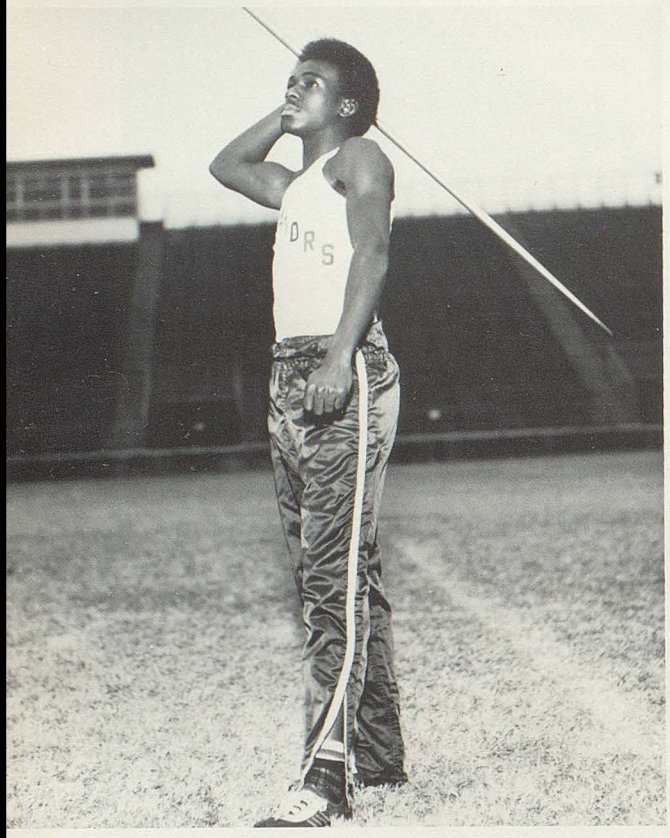

TOP: Lawrence Kahlden, Mark Magner, Stueart Hudsmith, and Isiah Smith react to the sound of the starting gun. **BOTTOM LEFT:** Scott Pernici winds up for a throw of the discus. **ABOVE:** Chris Harmon prepares for a pole-vault.

TOP RIGHT: Victor Hart shows great strength in putting the shot. **ABOVE:** Isiah Smith concentrates before throwing the javelin. **BOTTOM RIGHT:** Charles Herd warms up before track meet.

Gator Golfers Still Strong

The 1977 Captain Shreve Golf Team had a good year. With a strong team effort, the Gators were able to tie for third in state competition and place second in the Captain Shreve tournament. This gave the Gators the confidence and know-how necessary for a successful team.

Captain Shreve had a wide selection of players for the 1978 golf team. The returning lettermen were John Carlton, Danny Leslie, and Medalist winner Rob Williams. With this experience, the Gators had a good chance to pick up many honors in the 1978 season.

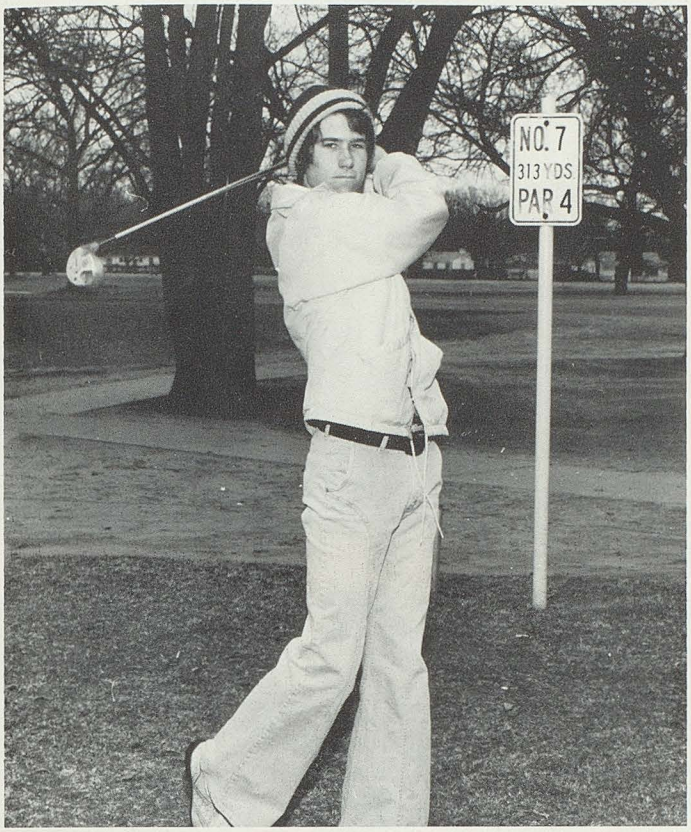

TOP LEFT: David Craft plays a clean game of golf. **BOTTOM: Senior members of the 1978 Golf Team are — (Left to right)** Rob Williams, Colin Godfrey, John Bransford, Coach Bob Horne, Danny Goodwin, and John Carlton.

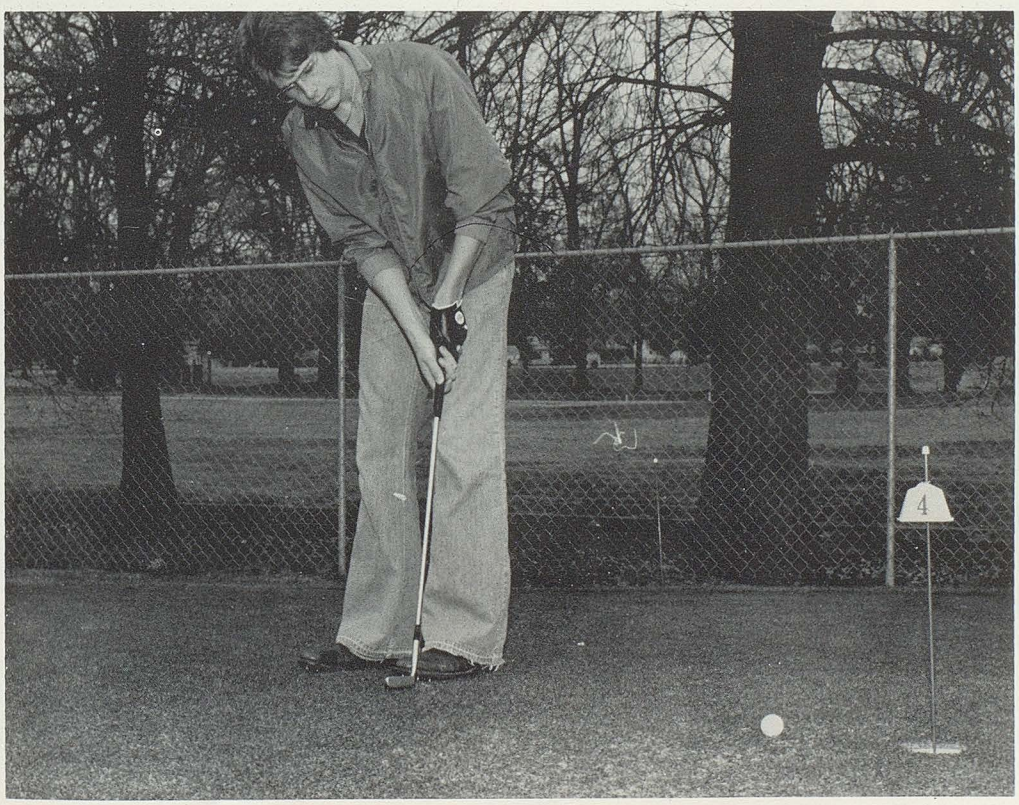

TOP: Sophomore and Junior members of the 1978 Golf Team are — (Left to right) Matt Ingersol, David Craft, John Gilbert, Danny Leslie, and Bart Dornier. **BOTTOM:** Bart Dornier and Danny Leslie walk out onto the golf course.

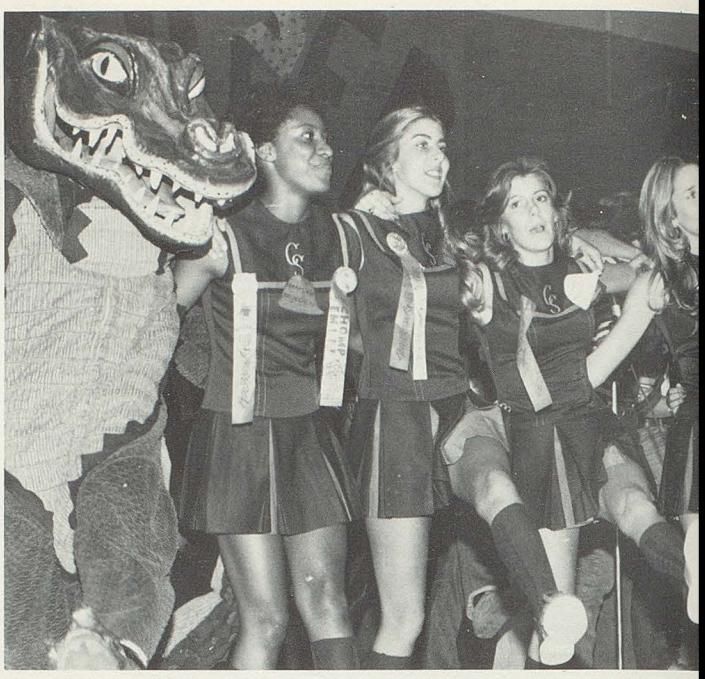

The Game of Golf Has Variety

TOP LEFT: Rob Williams drives the ball down the fairway. **TOP RIGHT:** Danny Goodwin laughs when in trouble. **BOTTOM:** John Carlton demonstrates accurate putting.

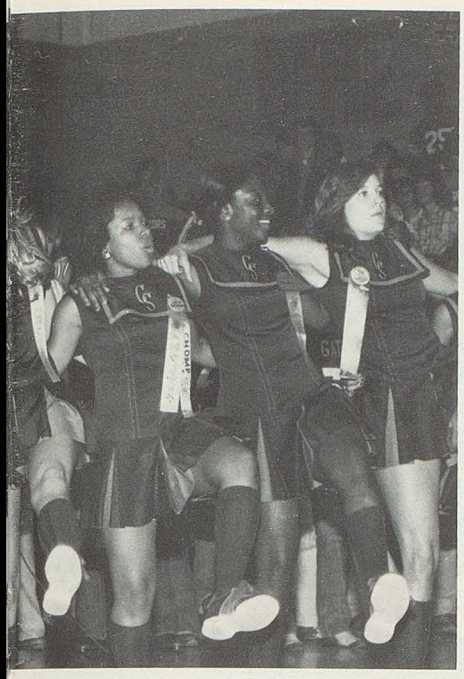

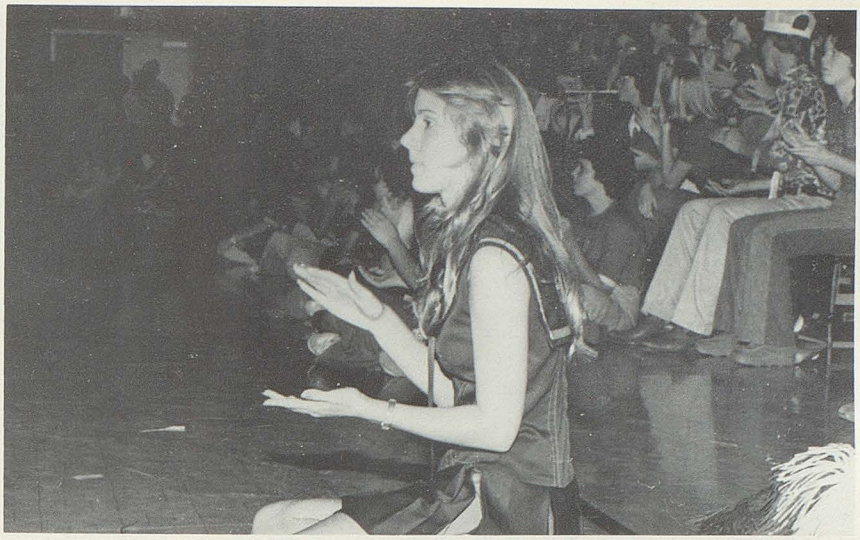

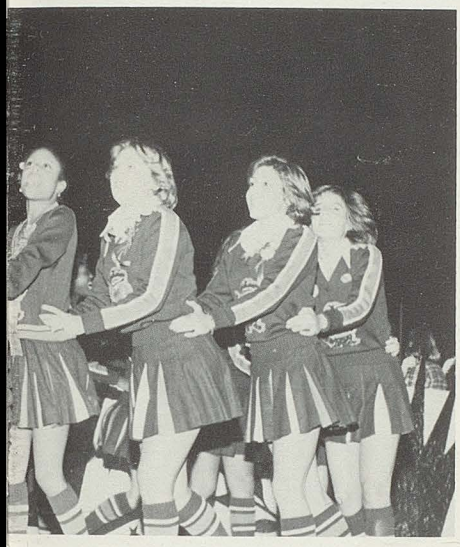

TOP CENTER: The alma mater is enjoyed by everyone. **BOTTOM LEFT:** Brenda Brock wants to see what it is like to be Al. E. Gator. **BOTTOM RIGHT:** Mimi O'Neal and John Kincade "Get Down."

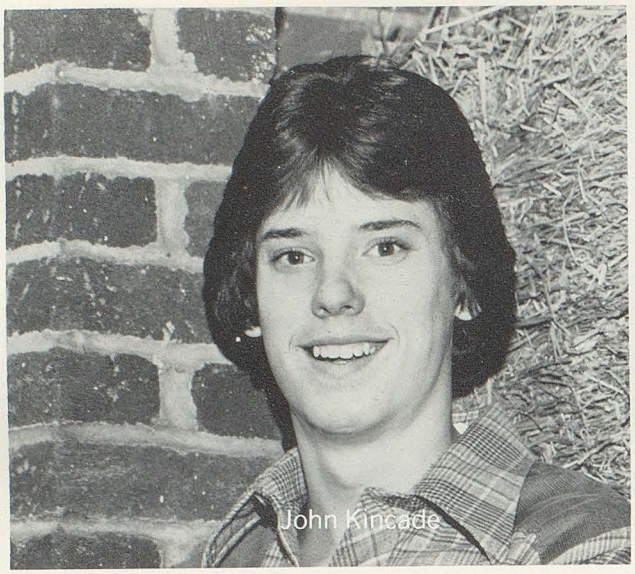

TOP RIGHT: Nancy Davis awaits her turn to cheer in the pep rally. **MIDDLE CENTER:** Homecoming is a time for the old and new to come together. **BOTTOM RIGHT:** Carlos Cooper and Yolanda Moore can really get in the beat. **BOTTOM CENTER:** John Kincade, as Al. E. Gator, professionally tries the two-step with the band.

Gatorettes Make Spirit Rise

A handful of girls, a cup of loud yells, a pound of cooperation and a dash of hard work were all blended together to make the "Spirit" of the 1977-78 Pep Squad. Their spirit was not only shown at football games, but also while working to learn and perfect their marching. Under the direction of two extremely devoted teachers, Miss Joyce Jordan and Mrs. Renell Moore, and also the help of the C.S. Band, the Gatorettes performed many outstanding halftime routines. Decorating football lockers, painting banners, and making football and basketball tags also blended in with the batter to make the 1977-78 "Spirit" the best ever!

TOP RIGHT: 1977-78 SENIOR OFFICERS — Back, left to right: Admiral Bitty Donner, Captain Jean Wall, Commanders Cambria Kinnard. **Front:** Betsy Jordan. **ABOVE:** 1977-78 Admiral is Bitty Donner. **BOTTOM RIGHT:** Gatorettes get involved in the game.

WESTERN ELECTRIC

Can you envision what your life would be like without a telephone? How would you make arrangements for the big ball game? How would you contact your friends for help with your homework? How would the young men make their dates? How would the young women break them?

The telephone has become a necessary part of the American way of life. And, at Western Electric's Shreveport Works, we make more telephones than any other facility in the world.

Western Electric is proud to be a part of the Ark-La-Tex and we are proud of today's students who will be tomorrow's leaders. Only through a quality education can you be prepared to assume this position.

As John Denver puts it in "The Eagle and The Hawk": "Reach for the Heavens; hope for the future and all that you can be, not just what you are."

Our employees — some of whom attended Captain Shreve High School — have made Shreveport the "Telephone Capital of the World." Perhaps you will help us continue this tradition when you complete your formal education.
